

Term 2 No 3 17<sup>th</sup> May 2017

Mrs Stevenson is away at the Media Mash Workshop with Ms van den Beld and some of our Media team learning exciting stuff about I pads.  
If your child has been unlucky enough to have caught Slap Cheek that is going around, it would pay to keep them home for a few days as this illness makes them very tired and they are best to rest and recover. There was a pamphlet about this contagious illness sent home last week.

## Class Reports:

**Room Tahī:** We have been busy practising Kapa Haka this week with Playcentre. Please remember to bring your permission slip back for our trip as soon as possible.

**Room Rua:** Yesterday we had Pat from Environment Southland show us the EnviroScape model. This helped us to understand how water travels from the land, down rivers and into the sea or a lake. We could see how pollution eventually ends up in our waterways. This made us think about the animals living in our waterways and how they are affected. We are going to look at this over the next few weeks.

**Room Toru:** We enjoyed working with the EnviroScape yesterday and finding out how water moved through areas and carried pollution with it. We have Mrs Callahan today doing science activities on natural resources and ways to conserve them. We will also have Mrs Callahan on Friday.

**Room Wha:** - have started looking at how to write reports and have picked an animal that we are researching. Once we have researched, we will be writing our factual report, make sure you ask us for some information about our animals. Goodluck to the Year 5/6 Rippa Rugby team for Friday.

**Room Rima:** has been lucky to have guest speakers - Murray (the bee man), and also Pat from EnviroSchool who came to share about pollution in our waterways.

The School Enviro Group is selling "worm juice" from our worm farm. We are asking for a donation of \$3 or more for a 2L bottle of worm juice. This juice needs to be diluted down at a ratio of 1:10 and is great on the garden. If you are interested in buying some please contact the School Office or Kate Jarvie [kate@tokanui.school.nz](mailto:kate@tokanui.school.nz). Thanks for your support.

**Congratulations to the Year 7/8 Boys Basketball and Year 7/8 Girls Basketball teams.** Both teams won the finals for their grade. A huge thank you to the team coaches - Nick Stratford and Ann Callahan

## Parents:

We require helpers to put journals/readers away. Flexible times. Any help big or small will be appreciated by the Teachers.

## A Reminder about Buses:

We no longer are able to put children on a different bus for any after school activities eg. sport, music, birthday parties etc.)

Therefore parents are responsible for transporting their child/ren to after school activities **unless it means getting off their own bus at a different stop.**

When there is a situation that involves after-school care, phone the Office and ask if there is room on the bus to make a change and if there is room we will try to help.

Caregivers must always inform the school of changes to after school arrangements.

*The school now has a mobile phone for **texting** only!!!. This can be used to text in an absence, a change to after school arrangements etc. We will flick back a response (it will probably be just a Y for yes!) and if we have a problem we will contact you.*

*Since all numbers come up as just numbers at this stage (we will endeavour to add you to the contact list), can you please put your full name, child/ren's name(s), and a detailed message. Please remember that if it is an absence then we need a valid reason for the Ministry.*

*This phone will be cleared at 12.30pm and 2.45pm.*

*The number is 022 4676208*

*If your message is urgent then call 2468 738 to talk to someone.*

Tokanui Home & School new updated telephone lists are now available from School Office- \$10 per list.

Tokanui Home & School AGM is to be held on the 22nd May, in the School Library at 7.30pm. Everyone welcome
