## MATARIKI SLEEPOVER

Due to the postponement of camp we have decided to hold a sleepover in the school hall on Thursday 22<sup>nd</sup> June to celebrate Matariki, the Maori new year.

This is voluntary for Y3-6 students. Students in these areas should have received a letter last week about this. Students will need to have a signed permission form and Y3/4 students will need to return a medical form.

Any students attending will have dinner at home on the evening of the 22<sup>nd</sup> June and will then come up to school with their bedding. We will provide breakfast and morning tea. Parents are asked to order a lunch through ezlunch for their children on Friday 23<sup>rd</sup> June. This is the only cost for this activity. If you have not yet created an account with ezlunch you can do that up at the office with Shannon helping or you can do this at home.

The children will be supervised by staff and parents who have had a police check. We are asking for some home baking or fruit to give to the children on Friday for morning tea.

## Dates for diaries

Community Disco	19/5
Pink Shirt day	26/5
Glenfield Int roadshow @ assembly	26/5
BOT mtg 6pm	1/6
Mark Whitford from GIS available to talk with Y6 parents after assembly	2/6
Matariki sleepover	22/6
Raffle closes	25/6
Individual photos	28/6
Book Fair	29/6-6/7
Movie night	30/6

Dear Bayview Families,

Winter has hit! It's been a chilly few morning this week. It is important that the children have their polar fleece on in the mornings but can then take them off while they are in class or later in the day when the sun has warmed up. We have heating in every class and the children can get over heated if they are wearing too many clothes. It is also imperative that the children have a drink bottle with water in it. Believe it or not the kids get dehydrated with the heating system which can lead to headaches.

If your child has misplaced their jumper you may want to check out lost property which is held in habitat 16.

### RAFFLE

Thank you to all the parents who are selling raffle tickets for our latest fundraiser. The first prize is well worth buying a ticket for: a trip for 2 to Queenstown with accommodation including breakfast and a hire car for 2 days.

The raffle closes 25<sup>th</sup> June and all butts and unsold tickets need to be returned to school with the money on Monday 27<sup>th</sup> June. The raffle will be drawn at a special movie night on Friday 30<sup>th</sup> June.

Remember if you would like more raffle books to sell please just return the sold butts and money and we would be delighted to give you more books to sell.

### SWIMMING/WATER SAFETY

I managed to go along and watch the water safety lessons for our Year 1 and 2 classes last week. I was amazed at the progress our children had made in such a short time and with the professional instruction provided by the Millennium Institute. This week our Year 3 and 4 students have started their lessons and I am sure they will make as much progress as our Y1/2's. Thank you to all the parents who have helped with supervision and getting the children to the lessons on the bus. We could not have provided this opportunity without you.

### SCIENCE IN A VAN

On Wednesday 7<sup>th</sup> June we have the fabulous Science in a Van show coming to Bayview School. This is a fun and informative show that teaches children basic science concepts and potentially might inspire some of them to move into science careers. You should have received a note home about this but if not you can pay for this on ezlunch and this acts as the permission slip as well. The cost for this show is \$4.50 per child. This needs to be paid before the day of the show so your child can attend.

### DEPUTY PRINCIPAL POSITION

Mr Brown is happy and settled in his new school and we are now in the process of finding a new deputy principal for Bayview School. We have advertised this in the Education Gazette which is the magazine that advertises teaching jobs. Applications close on 9<sup>th</sup> June after which we are hoping to shortlist applicants, hold interviews, and then make an appointment. Teachers must give their schools 8 weeks' notice before they can leave. This gives schools time to appoint another teacher. This means that our new DP, whomever that might be, will start in term 4.

### BOOK FAIR

The book fair is coming! It arrives on Thursday 29<sup>th</sup> June and leaves on the 6<sup>th</sup> July. This is a very special event in our annual calendar and the children love being able to go and browse the books to find a special taonga! Now is a great time to get the kids doing their jobs around the house to earn pocket money to purchase a book. Watching it build in a jar or container is a great motivator for the kids, and a great way to get the car washed or bedrooms tidied!

### SCHOOL PRODUCTION

This year is our school production year. Eileen Davids is overseeing this and has already asked for student interest in our lead roles. Our school productions involve every child in the school and are of the highest quality. It takes a large number of volunteers to make the performances a success. Performance nights are the last Tuesday, Wednesday and Thursday of term 3. Watch this space for updates and requests for help with costumes, props, food and drink on the night, etc.

### COMMUNITY DISCO

A huge thank you to all the parents who helped us with our second community disco. From those of you who baked cupcakes to those of you who ran stalls on the night we thank you from the bottom of our hearts. And to those who kept the rain away – you are legends!

### CYBERSAFETY

We have recently referred a case of cyber safety to the police. This involved an unknown person making contact with some senior girls via their Instagram page. This person identified a number of things about the girls including where they lived. Please be vigilant around what your children are involved in online. Ensure they are only connecting with people they know. Both Instagram and Facebook require the user to be 13 years old for a reason!

CITIZENSHIP

ATTITUDE

RESPONSIBILITY

EMPATHY

RELATIONSHIPS

RESOURCEFULNESS

RESILIENCE

REFLECTIVENESS

Welcome to our new pupils:

Ahmed Hassan

We know you will all enjoy your time at Bayview School!
