Newsletter No. 14

29th May, 2017

Term 2, Week 5

NEXT FEW WEEKS

Over the next few weeks we have many events coming up and we want you to be sure that you know these events and are organised for them. Please note all of these in your diaries and the organisation that goes with them. The reason for this is that I am having surgery this week and have been given leave until the end of the term. There will be newsletters but only every second week until the end of the term. Newsletters will be coming home on Mondays in Week 7 and 9 along with this newsletter. Any urgent issues please contact Diana in the office and she will contact me if it needs my attention. Thank you for your support in this and I look forward to a quick recovery and back into full time work again as soon as possible.

RURAL KIDS CROSS COUNTRY

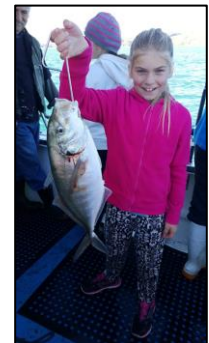

Please remember that our cross country day is this next Wednesday the 7th of June at Tinui. The school buses will be picking up your children in the morning and then you will need to pick them up from school by 10.15am at the very latest. We will all meet at Tinui by 10.30am, in time for morning tea and then the first race. The staff need to get there on time as well so please collect your child from school on time. Also they will have a BBQ available for you to buy your lunch. Everyone needs to wear their school uniform and also run in their green polo and black shorts. There are no bare feet allowed so please bring appropriate shoes to run in. Once the day finishes please check in with a staff member before leaving with your child.

MASTERTON CROSS COUNTRY

The students who qualify from our rural cross country event at Tinui will be invited to take part in the Masterton Cross Country event which is held at Rathkeale College on Wednesday the 14th of June. Any student selected for this will receive a separate newsletter about this.

TAKE A KID FISHING DAY

What a great day Bayley and Chloe had on the Pukemanu Fishing Club's Take a Kid Fishing Day. They both caught some amazing fish and really enjoyed their day. Thanks so much to Tony from the Pukemanu Fishing Club for organising this event and giving our kids an amazing experience.

WHAREAMA SCHOOL SPEECH DAY

This event is getting closer all the time and this year it will be held on Friday the 16th of June. We will be getting underway at 1pm and we want all children to be supported and have a parent come along. There will be no bus runs in the afternoon that day so you will need to arrange a ride home for your child if you are unable to make it on the day.
