RURAL KIDS CROSS COUNTRY

Well done to everyone who took part in our Rural Schools Cluster Cross Country event at Tinui School last Wednesday. Everyone did a great job and ran really well around a pretty muddy and challenging course. This has set up 16 of our students to be selected for the Masterton Cross Country champs this Wednesday at Rathkeale College. Good luck to you all for your age group events. Everyone has been given a letter and information sheet with all you need to know for the day.

WHAREAMA SCHOOL SPEECH DAY

Our Speech day will be held this Friday the 16th of June. We will be getting underway at 1pm and we want all children to be supported and have a parent come along. There will be no bus runs in the afternoon that day so you will need to arrange a ride home for your child if you are unable to make it on the day. Because we have a large roll number we will be splitting the Junior and Senior Rooms up and then running a timetable that will allow parents to hear all their children speak if they have children in both rooms (see attached notice listing order of students). Please be on time on Friday so we can get through all the speeches so students can get away for sports in the afternoon.

LEARNING AMBASSADORS

Amy and Tessa have their next session this Thursday at REAP house for their learning ambassadors course. They will be working on learner qualities and developing these across Masterton Schools.

LIFE EDUCATION VAN

Next week we have Kirsty, Harold and the mobile class room coming to our school to teach a range of topics that have come from our health curriculum survey and from areas that the staff feel we need developed in our students. The areas being covered are relationships and resilience and all students will be in the mobile classroom for a couple of sessions each over the two days they are here.
