

Tena koutou katoa

This week we recognised our wonderful Support Staff for all that they do to help our School run smoothly. Our Teacher Aides do a great job of supporting the teachers and children across the School, often giving more than what is expected as part of their job. Most importantly they really care about the children in our school and give their best to support them. Thank you to Tina, Lauren, Raewyn, Judy, Moira, Marylyn and Patricia.

It was great to have Dan Peck out again on Tuesday coaching all of the classes in Basketball skills. The students have really taken to basketball and Dan. He makes it a lot of fun and they all have some fun tricks to go away and practice to improve their ball handling skills. Dan was very impressed that two of our teams won their grade in the Competition last season after only just taking up the sport.

We have Assembly this week and the Motorbike Club will be presenting some work that they have been doing with Miss Van den Beld and Miss Thomson. Our final Assembly for the Term will be on Friday 7th July and we will have some special presentations to make at this so try to come along.

Good luck to our qualifiers at the Southland Cross Country on Friday. I hope that the weather holds out for this event.
