

Term 2 No 9 28<sup>th</sup> June 2017

We have finally managed to have a morning of hockey instruction with Hamish from Hockey Southland. Every time he was to come out it was very wet and cold and then he was sick so we were so pleased to meet him on Tuesday. All children had a session learning hockey skills. We have another morning booked on Thursday and two more next week so everyone will be well on the way to knowing the basics of playing hockey by the holidays. He is impressed with our turf which is a lot more even since we had a top dressing of sand put on it last term. Our House Leaders have organised a Chess, Draughts, and Connect Four competition held on Thursday Lunchtimes. They do such a good job of organising the younger students. It is great to see the children playing these games, in particular Chess. Some of our experts are happy to teach others how to play if they wish.

The teachers have been writing reports and these will be coming home with them at the end of next week. These will be followed with Learning Conferences at the start of next Term.

Next week our Year 7 & 8 students will take part in an inaugural Zone day for seniors. This has been organised by our Zone Co-ordinator, Snow and looks like a lot of fun. It will be an opportunity to get to know other students that they will meet at High School and to try out a number of activities.

You are welcome to come along and support the Year 8 students playing netball against the Staff on Thursday lunchtime next week. This has been a lot of fun over the last couple of years and I'm sure it will be again this year.

Hostel – 2.00pm – 4.00pm  
All welcome.

Thank you to all our local supporters once again for their very kind donations towards Tokenui / Waimahaka Plunket. Your generosity has brought \$1300.00 for our local families so we can continue providing for our 0-5's. A little goes a long way and our youngest generation are reaping rewards from the music and movement and swimming sessions we are able to provide. We really appreciate it from the bottom of our hearts.

And thank you to our local mums who volunteered their time organising and who got out and collected, amazing team work.

We would also like to thank those families who supported through the school and donated for 'Pedal for Plunket', the money that was raised for National Plunket (not local) but will benefit us by helping pay for our awesome Plunket Nurses.

If there are any new families to our districts that would like to know more about Tokenui / Waimahaka Plunket and when we hold our sessions, please do get in touch with either myself, Dee McKenzie 03 246 8333 or Darlene McCabe 03 246 8377
