Road Sense

Many serious crashes on Marlborough roads, are caused by dangerous overtaking. It can be frustrating when you are stuck behind a vehicle (especially if you are on the alternate route to Christchurch), that's holding you up but, overtaking should only be attempted when it is safe to complete the entire manoeuvre. Be patient, cautious and courteous.

Winter Fire Safety

Before going to sleep, make sure your fireplace fire and any candles, are OUT.

Choir

Our choir will perform in the Marlborough Primary Schools' Music Festival on Wednesday, September 27th. Practices are well underway with pop and rock songs from the 60s through every decade.
