## Kaitiakitanga Comic Convention

During term two of 2017 we completed a school wide student inquiry to answer the question;

### How can we make change to ensure a healthy community for all?

The students wrote and presented comic books as their answers to this question and Wednesday afternoon was a wonderful celebration of that learning. Comic book artist Michel Mulipola read all of the student's comics and judged the first three categories for us, and our whanau and guests voted for the last three.

Congratulations to our winners!

Coaches are current DM first team players and Kate who has run AFF holiday programmes in the past.

Each session includes skill based training, so kids can learn the tricks and techniques to become better players. There are also plenty of chances to play football games in a fun environment, and experience the thrill of putting those skills into practice.
