

The big focus in the school this week is undoubtedly the secondary production (pictured below). The students, staff, parents and community involved have been flat out over the past week rehearsing, refining and putting the finishing touches on what is set to be a fantastic production. Tonight's performance is already sold out and Friday night's will inevitably also be a full house. It has been fantastic to see the commitment building and my hat goes off to all involved in ensuring the show comes together as a polished performance. There are certainly a few very tired looking faces around the staff room at the moment and who I am sure will sleep exceptionally well come Friday night. I wish all involved in the production the best of luck and would love to say "break a leg", but with the new health and safety laws it is probably more like "work hard to minimise the hazards to ensure a safe and successful performance".

Last Friday night we hosted a Quiz Night, the major fundraiser for our National Area Schools Sports Representatives heading to Whangarei in just over a week's time. The extent of the community support for this team has been immense and the evening managed to raise something in the figure of \$2000. This is certainly most gratefully received and will go a long way to assisting with covering some of the expenses as we

head to the winterless far north. Being in Whangarei this is always a very expensive trip, but at this point we have most of the expenses covered. We also say a huge thank you to the Hurunui District Council for their generous support of the trip, in supporting all three of our local Area Schools in making the journey. There are also many other businesses in the area who have generously supported our fundraising efforts. This will be an amazing trip for the students and especially for one student who revealed to me last week that he has never left the South Island.

As we head into the final week of term two, primary through to Year 8 reports are heading home and next week we have Discovery and Investigating Communities parent interviews happening on Tuesday night. This is always an important opportunity for students alongside their parents to check in with the classroom teachers and their next steps for learning. This is even more critical for our Year 9-10 students who will not receive mid year reports. Please contact the school office if you need any more information about this evening.

**NZQA Fees** The NZQA fees of \$76.70 can now be paid. Full payment is due to the school office by Friday 4 August (Week 2, Term 3). Year 11-13 students must pay their fees to have their results from internal and external assessments recorded on their Record of Achievement, and to receive certificates. The School passes the fees to NZQA. Please pay the fees directly to the School Office. Cheques are to be made out to Hurunui College. Any money unpaid after 13 September incurs an additional \$50 fee, payable to NZQA. Financial assistance is available for all families holding a community services card and / or a WINZ benefit. The account will be reduced to \$20 per child with an approved financial assistance application. Financial assistance is also available to families having MORE than two children entered for NCEA qualifications either here or at other schools. Contact the school office for an application form.

**Billets Wanted: German School Volunteers** We will be welcoming two new volunteers to the school early in Term 3. What we are hoping to do again, is to initially billet these two volunteers within our community. It is hoped that this will allow them to better adjust to life in New Zealand and provide them with additional support and socialisation before they move into the school hostel. The period of billeting we are asking for is up to four weeks and this could be shared over a number of families. If you are interested and would like to help, please phone the school office or email me, [it@hurunuicollge.school.nz](mailto:it@hurunuicollge.school.nz)

**SISS Fundraising Milo Mornings** on Thursdays and Tuesdays for the next 4 or so weeks, at MORNING TEA. Primary stall outside Kakara class, Secondary stall down by the gym. Students will need to bring their own cups, cost will be \$2 or \$2.50 with marshmallow.

**HAWARDEN TAVERN** The Hawarden Tavern has been sold with the new owners now having taken possession. While the house on Gladstone St hasn't been sold it is for sale at market value. It is the intention of the Trust to tidy it up and sell it, probably in the spring. A decision on the distribution of the proceeds from the sale of the Tavern and house has not yet been made as legal advice is being sought on how we are allowed to distribute the funds to the community. There is however still a limited amount of funds available to local community groups from the gaming machines which can be applied for through TTCF through the internet.

The Hawarden Licensing Trust would like to thank the community for the support it has given the Tavern over the last 45 years and we wish the new owners well for the future.
