Garden Club Notices

Thanks to the Shannon Progressive Association for donating this awesome wheelbarrow to our garden club.

There has been some amazing work in our school garden this term by dedicated community members and learners, lead by Kath Irvine from Edible Gardens. We have

thanked them personally and really appreciate their efforts. If you are interested in becoming a part of this project, please contact the school office.

Do you have any old gumboots you can donate to the garden team? Please contact the school office.
