

Welcome back to Term three. I hope most families and students were able to enjoy some type of break over the past two weeks and hopefully experience the fresh dumps of snow we have had around the regions. Tomorrow looks as if it may bring some more snow in and around Hawarden, although recent forecasts seem to indicate that it won't be enough to disrupt what we do here at school. However, if we do receive consistent accumulations we may have to close the school and activate the phone tree. It is at these times that we often find out that phone numbers have changed and this can make managing what we need to do at school much more complicated. It is essential that we have updated contact details immediately when family circumstances change. For those who are ringers on our phone tree, please ensure you have your phone lists on hand. We are not expecting to have to close the school, but in the unlikely event that the situation worsens, it is essential that we are prepared. Our main concern is around buses and their ability to return students home safely and we do lean towards the side of caution with this.

On Tuesday we had our start of term assembly and as we head into Term three we have an increased focus on Service as one of our core values. We discussed what service looks like in our community and especially the volunteers who often get very little recognition. It is amazing when you look closely at the degree of volunteer work that is done in our community from sitting on committees, emergency services, coaching, volunteer groups and Boards of Trustees. Often much of this work is done with very little recognition but is essential in maintaining much of what we rely on in our communities. It was also fitting that the focus was on volunteers as we sadly farewelled Elisa and Nils from Hurunui College on Tuesday. It is amazing to think that Nils and Elisa have completed a year with us as volunteers at the school and now head home back to Germany. They have been an amazing asset to the school, have done a fabulous job and will be sadly

missed. It is a huge leap of faith to travel half way around the world to work in a school, community and country that you know very little about. The way both Nils and Elisa integrated into our community was a huge credit to them and I know they have touched the lives of more than just those of us in the school. We wish them all the best on the journey home and as always, will take a little part of Hurunui College back to Germany with them and the knowledge that they will always be warmly welcomed back. This was also symbolised through the presenting of a Pounamu to both after a moving Haka from the students.

A reminder to all families that next Wednesday 2<sup>nd</sup> August, the school is closing at 2 pm. This is to allow staff a greater opportunity to follow up on initiatives discussed at our teacher only day last term. Buses will be running an hour earlier and parents and caregivers can expect children to be returning home an hour earlier than normal.

Lastly congratulations to our team of Area School Sporting representative who headed off to Whangarei in the first week of the school holidays. The team had a great week up north and managed to avoid the bad weather that plagued the majority of the country. Well done to all the students who made South Island teams and congratulations to Flynn Crean and Blair Norton who were selected in the NZ Barbarians Area Schools Rugby Team and Jackson Bau who was selected into the NZ Area Schools Football Team. All fabulous achievements!
