

## Kaitiakitanga: Guardians of the future

### Ina te mahi he rangatira

(by his or her deeds a chief will be known)

## What makes a good leader and how do we choose one?

On Monday afternoon we launched the Student Inquiry for term three!

The students all arrived in the auditorium to find out that they had to vote for a temporary principal for the week! Whaea Steph said she was going to be too busy to be the principal this week and she wondered who would step up and show leadership. Four teachers stepped forward and made campaign promises hoping to win the students votes.

#### Whaea Maxx

*I promise to have music playing every break time to dance to if you vote for me.*

#### Whaea Rebecca

*I promise to run boot camps and healthy lunchbox inspections to keep you all healthy if you vote for me.*

#### Whaea Elisa

*I promise to give you all 5mins extra playtime everyday if you vote for me.*

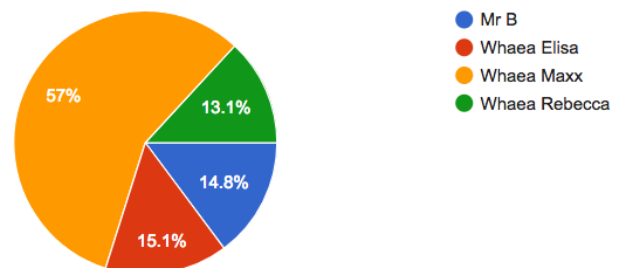

#### Mr B

*I promise to keep everything running the same way Whaea Steph does if you vote for me.*

Please ask your children who they voted for and why. We loved hearing all the student's strong opinions while relishing the chance to make the decision about who their leader should be! It was a powerful experience and they have been enjoying the winning candidate fulfilling their promise each day!

As you have probably guessed this term's inquiry is all about leadership, citizenship, roles and responsibilities. We are looking forward to having you along on our leadership learning journey this term!
