PIRINOA SCHOOL NEWS:

A big thanks to everyone who made it to the community consultation evening last week. It is vital that Pirinoa School links closely to the community and that we have a shared vision moving forward. I, along with the Staff and Board of Trustees, will find trends in the ideas that were shared and put everything together to form the 2018 Pirinoa School Strategic Plan.

Please check out our website for various information/activities the school is participating in: www.pirinoa.school.nz
We also publish a school newsletter every fortnight and this is placed on our website and the noticeboard at the Pirinoa Country Store for your perusal.

We have an action packed Term 3 with various students participating in Maths competitions, Trapping & Tracking Workshop run by REAP, Year 5 & 6 Miniball competition, and our Room 2 students will be taking part in a Football Tournament.

Learning in the classroom will be based around Science and Kapa Haka, and we are hoping to hold a Science Fair later in the term.

Matt Jackett, Principal.
