MID-YEAR REPORTS

Tomorrow we are sending home the mid-year reports. These reports indicate how your child is progressing towards reaching the national standard at the end of the year. Everything in the report has been written from the feedback meeting you attended at the end of term 2. Please look for this in your child's school bag on Friday afternoon.

PRODUCTION

It's production time! At the end of this term on 26th, 27th, and 28th September we will have our biannual production. This year our production is called 'Sweet As!' and tells the story of what it means to be a kiwi looking through our history as a country. Our school production is a huge event and requires a great deal of support from parents and community members. We will need help with costumes, make-up, fundraising, supervision on the night and a whole lot of other things. Please watch out for notices in school bags or on facebook asking for your support. Let's make this a production to remember!

Dates for diaries

Reports sent home	4/8
Dental Van onsite	7/8
Y6 visit to Wairau Int	17/8
School Cross Country	23/8
BOT mtg 7pm	24/8
Daffodil Day	25/8

Dear Bayview Families,

ENROLMENT SCHEME

Our roll is currently sitting at 398 students! We are due to go over the 400 mark in the next few weeks. As you know our roll has been growing for quite some time and we have been liaising with the Ministry of Education around the space required to accommodate all our students.

I have indicated earlier this year that the MoE have asked us to implement an enrolment scheme. In consultation with us the MoE has developed a draft enrolment zone and I have included this with today's newsletter. There are larger copies of the map displayed at school, one in the office and one outside the radio station. This is also available on our school website.

All members of the community as well as neighbouring schools are able to make comment about the proposed scheme and should do so before 3rd September. Comments need to be made in writing to the Bayview School Board of Trustees.

The zone takes effect from the beginning of the 2018 school year. We will have a number of out of zone places available to accommodate as many out of zone students as our physical space allows. Please be mindful of when you will need to enrol new students and watch out for newsletters advertising cut off dates for enrolment applications.

KEEPING OURSELVES SAFE TERM 3

This week we have started learning about 'Keeping Ourselves Safe'. When these lessons are being taught there will be homelink activities brought home for the children to complete with you. Please take the time to sit with your child and ask them about what they are learning and complete the activities together. This is the best way to help reinforce the very important safety messages we are trying to instil in the children.

ATTENDANCE RATES

Our overall attendance rate for this year is sitting at 93%. The classes with the best attendance rates are habitat 4.5, 8, 14, and 17 with 94% attendance. Over all girls attendance is sitting at 94% with boys at 93%.

PROPERTY RATIONALISATION

During the break I met with the Ministry of Education around our roll growth and the need for more classrooms. There is high demand in Auckland for relocatable classes that can be dropped onsite. The Ministry have had to problem solve around this and have decided to upgrade Habitats 4 and 5 at their cost. These classrooms will be re-roofed, Habitat 5 will be re-carpeted, and both classes will be re-painted internally. The MoE will ensure they are insulated properly and will be of a standard required to be used as fully functioning classes. We are trying to get this work done during the next break, but this may not be possible so may happen once school is back in term 4. These classes will then be used up until the MoE build us new classrooms around 2019/2020 (after which H4 and 5 will be demolished). On the positive side this is a great problem to have! ☺

NEW STAFF

This term we have two new teachers joining us. Mr Parag Bhatt is our new Classroom Release Teacher working in every class in the school. Parag has a background working with special needs students and has already impressed us by teaching some classes sign language!

On Monday 7th August we welcome Mrs Donna Jamieson who is starting a new Y0 class. Donna has a lot of experience working in the Y0/1 area. Donna will be working alongside Amy Craddock in Habitat 1 next week and then will be starting her new class in Habitat 3 from 14th August. I know Donna would love some play things for her class so if anyone is having a clean out and would like to donate toys please bring them to the office or take them straight to Habitat 3.

Depending on enrolments we may need to start a further Y0 class in term 4, so fingers crossed H4 and 5 are ready by then!

Friends of Bayview School fundraising meeting for production is on Friday 4th August 2.30pm in the staffroom.

Welcome to our new pupils:

Anita Bour, Julian Sayer-Jukes, Dominik Jakobszem, Catarina Quadros, Victoria Gomes, Datta Emani, Boston Doughty-Gardner, Saskia Atkinson, Sebastian Goodman Tse, Declan Carlson-Cristerna, Christine Zhou, Carter Wells

We know you will all enjoy your time at Bayview School!

Coffee

There is now a coffee shop down near the Bayview Diary! Aunty's Café. We have all sampled the coffee and it is fabulous! Please support this new local business.

Assemblies

We hold our school assemblies every Friday from 9 a.m., and you are welcome to come and celebrate our successes and enjoy items put on by learning groups. The timetable is:

4 th August	Harakeke
11 th August	Kauanuanu
18 th August	Pikorua

Classrooms are in the following Professional Learning Groups:

Pikorua	Habitats 2/3,4/5,16,10
Kauanuanu	Habitats 6,13,14,15
Harakeke	Habitats 17,1,12,8,9

Hilton Brown Swimming

Free trial swimming lesson @ Hilton Brown Albany
Ph: 09 4145484
Babies, Preschool, School Age, Adults

info@hiltonbrownswimming.co.nz

As New Zealand is surrounded by water, learning to swim at an early age is a very important skill to learn.

Glenfield College

Join us
Open Evening
Wednesday 26th July 6-8pm

www.glenfieldcollege.school.nz

**WAIRAU
INTERMEDIATE
SCHOOL**
Becroft Drive, Forrest Hill

OPEN DAYS/EVENING

Wairau Intermediate School will be holding open days during the school hours on **Wednesday 30th August and Thursday 31st August and an open evening on Thursday 31st August from 7.00-8.30pm**. Current Year 6 children and their parents/caregivers are invited to visit the school during these times. All year 6 children from Bayview Primary School will be given individual information packs, including an enrolment form, at the transition day they will be attending in term three. Should you require an additional pack, these will be available at the open days and evening and can also be obtained by phoning the Wairau Intermediate School Office on 410 7805.

Our enrolment week is **Monday 4th – Friday 8th September** during school hours. We look forward to meeting your child on their transition day.

Community News
