Together achieving success as confident learners.

## **Tena koutou katoa**

The end of Term Two has come up very quick, I can't believe we're already halfway through the year! We've had a busy few weeks with sports, reports, parent / teacher hui, class trips and more! I'm proud of what the tamariki have achieved and the hard work that our staff have put in.

## **Interschool**

I'm so proud to report that all our interschool teams are through to the Semi Finals! The teams had their final pool game against Inglewood on Monday and played well. Our soccer semi-final will be on Tuesday 25<sup>th</sup> July at Oakura School. Kick off will be at 11:30am. Rugby and Netball semis will be against St Joseph's New Plymouth at school on Thursday 27<sup>th</sup> 12pm Powhiri. It'll be great to hear your support from the side-line.

## **Parent Teacher Hui**

Thanks for making the time to meet with your child's teacher. We all want the best for our tamariki and by working together we will see great results. If you missed the interviews and would like to book a time to meet with your child's teacher, contact the office to arrange a time.

## **Farewell Mr Shaw**

Yesterday we farewelled Mr Shaw. Ahakoa he iti he pounamu. Even though the time he spent at our kura was short, the impact he has had on the staff and students is precious and valuable. We will miss his wisdom, knowledge and experience and wish him all the best with his retirement.

## **Welcome Mr Topia**

Mr Topia was in today meeting with the staff and students this morning. His official welcome / powhiri will be on Monday 24<sup>th</sup> July at 9:30am. You are most welcome to come along and join us in welcoming him to our kura.

## **Gardening:**

Room 2 have been working hard and planning ideas around our school. This group of young men have been busy working on ideas on what good use we can make of the space, and with support from our BOT, teachers and peers, our school IT guy, (nga mihi)... we have managed to make a

start and have decided to plant vegetables which we will make into aa soup as a shared kai for all student and staff in the near future. We also have plans to plant a herb garden and possibly swan plant ready for summer. This group of students have been enthusiastically working every Friday in the garden and are excited about seeing the fruits of their labour grow. Keep an eye out and come have a look at our garden next time you're at school.

Have a safe and restful break and see you on Monday 24<sup>th</sup> July.

CORDIALLY INVITES YOU TO...

**AN EVENING WITH**  
**VIC TAMATI**

**RESTRICTED 17**

Vic Tamati is employed by the It's Not OK Campaign as a speaker, travelling round the country telling his story of growing up in a violent home, getting involved in street violence as a young man and the violence he did to his wife and children. In 1992, he attended a stopping violence programme. He has been violence free for more than 20 years.

Vic's story is powerful and inspirational. He shows that it is possible to leave violence behind and become a different kind of man. Vic's work for the Campaign has helped thousands of New Zealanders to take the first steps towards becoming violence free by asking for help.
