

Term 3 No 3 9th August 2017

Tena koutou katoa

It has been a busy time with sport over the last couple of weeks. We had the Year 7 and Year 5 netball last week and this week we have the Year 6 and Year 8 netball competitions held in at the Stadium. The children have given it their best and played some good netball. Thank you to the parents and coaches that have made this possible.

On Friday we had perfect weather for the Moffett Cup. It was always going to be fine in the Stadium for the netballers but the rugby players had good conditions also. It was so good to see the children really enjoying themselves in a fun competition that has some great friendly rivalry. I have found out a little more about the history of this event. There used to be two zones; Southern and Toi Toi. There were about nine schools in each zone and the Moffett Cup was played for between the two sides of the Maitai River. The Cup was donated by the Moffett family in memory of their son. The Moffett's lived where Nancy and Brian Dermody live on the main road just out of Tokanui. I believe the Moffett Cup used to be played for in Netball and Rugby by the Year 5 & 6 Level (Standard 3 & 4). If you have any further information please pass it on to me as I would like to get it recorded in the Zone notes so that we don't lose the history of the Cup. Thank you to our awesome coaches. It is particularly good to have the Dad's at school working with our boys. This means so much to the children. Thank you to all of the coaches for sharing your netball and rugby skills and helping our children to be the best that they can on the fields.

Thank you to all of the caregivers that have been in to the Goal Setting Conferences. You know your children better than we do; so your input into your child's education is valued by the teachers. Together we can achieve more for your children. You give the teachers insights that help them to learn what switches your child on to learning. It is valuable for the children to be able to articulate their learning and share with you their next steps. If you didn't make the interviews please phone the school to arrange another time.
