Term 3, Week 4

HEALTHY LEARNING EVENING

Please remember this gets underway on Wednesday night at 6pm. Both adults and children are welcome to come along and listen to Whaiora speak to us first and then be part of a maths evening to help everyone understand how maths is being taught and how you can help at home with this. We would like to see all families here for this evening to ensure we all are working together to help improve our students learning.

TURTLE RACING ORGANISATION – JOBS THAT NEED TO BE DONE!!!!

Thanks to those people who are selling their 4 tickets, and more and we would like all unsold tickets to be returned to school on Wednesday. Please bring them with you on the night when you come out for the learning evening. We also need people to ring Diana and tell her how many extra tickets they have sold so we can get these to you and have an idea of how much we need to order for the bar. Any money for sold tickets can be sent in to school or direct credited to our bank account 02 0688 0029425 00. Please send in any sponsors' prizes as well, as all senior students were given a letter to go and ask for sponsorship two weeks ago.

Also if, for any reason, you cannot make Saturday night, you are required to send in some biscuits, slice or something savoury for us to put out for food. We cannot run the bar without having food available. If you are there on the night please bring it along with you for our 6.30pm start...if you cannot make it please send food in on Friday...this is essential that this is done please.

I cannot stress enough how important these fundraisers are so it requires an effort from all families to support these. Without the support of these events we will need to begin charging for the events where we take students to town like sports events, performances and extra non –curriculum events.
