NO DOGS ON SCHOOL GROUNDS

If you see a dog being exercised on the school field—please let us know ASAP—this is a high health risk and not pleasant for field play during the week!

THE GREAT Homework DEBATE
Is it worth it?

HOME LEARNING TASKS

Our Year 7-8 students have been completing a weekly task of their choice for the past couple of terms. This has been an excellent learning experience for them & makes home 'work' meaningful. Today Rachel presented about her research for rabbit-keeping; Reg showed a video & presented his recipe for the dinner he cooked at home; Daniel shared information about his pet day calf for this year; Ben shared information about his relative who is a champion side-car racer. Such a range of ideas that the kids are genuinely interested in & learn with self-motivation!

Class Play: A pair of Aliens (Reg & Toby) who ran out of fuel (gold) on Earth.

Daniel is a Banker & Rachel is an Earth Girl, both trying to help the aliens get some gold.

Kasey explained her job as class accountant
