Week 4, Term 3 2017

18 August, 2017.

Kia Ora Whanau,

Firstly, I would like to congratulate our Kapa Haka group on success at the Mana Ariki Marae Festival in Taumarunui. Our school placed second overall and did us all proud. We would like to thank all our supporters who helped our tamariki get to this event and a special thanks to our Whaene Vickie and Whaene Kiriana for their efforts and long hours of practice.

Secondly, I would like to announce that in the coming week we should have Room 1 and Room 2 functional again. Unfortunately, we will be moving Room 3 and 4 to these spaces and Room 1 and 2 will remain in their current classrooms. After much thought we decided that this was less disruptive to our Senior classes if we kept Room 1 and 2 where they are. The construction will now move to Room 3 and 4 and the hallway outside the current office.

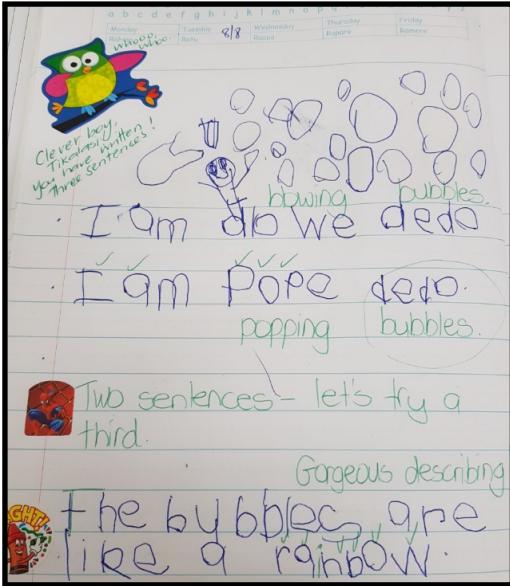

Lastly, we still have some concerns with children crossing the road outside school and on the corner of Princess Street and Richmond Street. Students must use the pedestrian crossing in front of the school if they are to cross the road and head in the direction of the High School. We ask again that you have a chat to your child at home about the seriousness of this issues and remind them to use the crossing in front of school.

Regards,

Perrie Topia.

Well done Tikalasi from Room 5 for your amazing writing.
