Cross country

Well done to all of our children for 'giving it their best' at our Cross Country event last Friday. Despite it being a cold day, the rain held off and we were able to get all of the races completed in time for an early lunch. A big thank you to our supporters who attended to watch and encourage our children. Thanks also to the parents who volunteered to run in our golden gumboot race, with Miss Adlam and Miss Gardner and won against our senior room children. The results from our cross-country are on our School Facebook page, and in this week's newsletter. Well done to our place getters, and to those children selected to compete in the Central Taranaki Cross Country event on the 13th of September!

ANZCO Foods – Eltham

A huge thanks to the farmers and supporters who send their bobby calves to the Eltham Plant, and nominate Eltham School to receive '50c per calf funding'. This enables us to receive donations from the "Bobby Calf Promotion", and so far we have raised \$404 (808 calves) from this scheme with the promotion ending in late October. Many thanks to our supporters, please keep nominating us! We really do appreciate your help.

Congratulations to our “Learners of the week” ...

Room 1 – **Mia Lindsay** – For being super organized for learning and helping others.

Room 2 – **Celestial Harrison – Maraki** – For being a clear speaker in front of an audience and showing others how it should be done.

Room 3 – **Joshua McIver** – For trying your best to be a helpful and active member of our classroom on a regular basis.

Room 5 – **Ryan Bain** – For consistently striving to improve his learning achievements and always having a positive attitude.

Room 6 – **Ahrahnia Van Kuijk - Moffat** – For stepping up and taking responsibility for her learning and being a good role model to others.

Room 7 – **Justin Salisbury** – For showing pride in everything he does.

Room 8 – **Vincent Van Kuijk - Moffat** - For stepping up and trying hard with his writing. Well done!

Impact – Environmental Group

A group of year 8 students from Room 5 are working with Impact Taranaki to help reduce pollution in our community. We are hoping to tackle this issue by cleaning up the litter under our school deck, and introducing a litter prevention programme to support positive behaviour to keep our school clean. – This task was initiated by our student group. Our students will be working on this project with the assistance of our grounds person Lorraine Kelson. We will keep you informed of their progress.
