## Weekly Panui – Monday 18 September 2017

### ONE DAY AT A TIME.....

It has reached that time of the term when the students seem to have one thing after another. From robotics tournaments, to museum trips, enviroschools workshops, speech competitions, spelling bees, snow camp, rotomaths, hockey tournaments... all followed up with a serving of School Musical Production! :) Please remember that mindfulness, calmness, preparation and organization are all key to being a successful individual. The staff are so pleased that we get to support the students in these wide and varied endeavours, but we are also mindful that our kids experience stress in different ways. Therefore, a big part of our job and yours is to ensure the children have a good diet, plenty of rest and sleep, and experience support in all their efforts. We really are developing learners for life and the opportunities they are taking now will be with them for a lifetime.
