

Term 3 No 10 27th September 2017

Kia ora tatou

We are so proud of the effort put in by the cast and singers for Production. There are a few giggles throughout the show along with music through the ages. The cast has worked so hard to learn their words and speak clearly. It is so nice to see these children looking confident in themselves and prepared to perform on the stage.

Some of you will have recently received a receipt for your donation for school camp. Expenses for school activities that we expect the children to all attend have to be called donations. If families choose not to pay the camp donation, we won't be able to continue going on camp unless all of the money is fundraised. Because it is a donation, we can give you a receipt to say so and then you can claim back the tax.

Assembly will be on Friday for the end of term. Come along to school at 2:20pm. We have some swimming certificates to present and a surprise special award. Room Rima is the class presenting this week.

The children will be looking forward to the school holidays. They have two weeks to refresh before the final busy term. In the first week back, we have Dan Peck coming to take basketball skills and in the second week we have some Rugby Southland players coming out to take Touch with the Year 1-6 students. Pet Day and Artitude is on the first Friday of Term 4.

Enjoy the holidays with your children and we will see you next term.

Regards
