

Term 4 No 1 18th October 2017

Kia ora everyone

Term four is underway and we have an action packed programme planned for this nine week term.

We are working towards achieving a Bronze Award for Enviro Schools by the end of the year and classes are taking on projects that involve our environment this term. Room Rima is learning about Bees and will be getting a school beehive set up over the bank in the rough area at the bottom of the school grounds. They are very excited about this project. Next week the Life Education Truck will be here. The children love learning in the truck with its interactive classroom and enthusiastic teacher. I believe there will be a parent session provided that you can come along to and see what it is like for your children. Look out for information on this.

A health survey will be coming home over the next week. It is short and won't take long to complete. Please fill it in and quickly return it to school.

Thank you to everyone that came to our Production at the end of last term. You really helped to make it a huge success. I am so proud of the children who all performed so well. The lead roles and the stage support crew all worked so hard to present the best show that they could. The seniors are really stepping up to lead in the school and taking on ownership in their learning; they would ask Mrs Hayes if they could change something to make it better and share their ideas to put their own take on how the Show would be put across. We are lucky to have Mrs Hayes expertise and a committed team of teachers who all worked so well together to make this a success.

At the end of the year break up we will farewell the Year 8's as usual and classes will be sharing some learning digitally.

Class Reports:

Room Tahī: Welcome back everyone. We are creating our Recycled Artwork for Pet Day this week. Remember to bring Pet Diaries back to school by Thursday please.

Room Rua: We have been busy making our recycled animal art for Pet Day this Friday. We have also been learning about translation, rotation and reflection in Maths this week. Remember our Library day is now Thursday.

Room Toru: is back into the swing of school. We are looking forward to Pet Day on Friday. Sexuality Education will be starting next week.

Room Wha: Welcome back to Term 4. We are currently making our recycled art animals for Pet Day. The salmon are growing rapidly, come in and check them out on Pet Day.

Room Rima: Welcome back to Term 4. We are learning to tell the time so please help us at home. We are making fantastic recycled animals for Pet Day. Remember your Art-itude entries in by Thursday. We are writing animal reports in groups and can't wait for Pet Day. See you there.

Thank you to the Biggar family for donating a compost bin to the school. We now have happy worms as previously there was too much fruit going into the worm farm. Now we can split it between the compost bin and the worm farm.

We have signed up as a drop off location for Terracycle. We will collect your old Colgate products and send them away to be recycled. This includes toothpaste boxes, empty toothpaste tubes, toothbrushes, packaging for toothbrushes and empty floss containers.

Send them to School with your child or drop them at the School Office. Please remove any excess product before you send them to school. Thanks for your support.

If you have any unwanted Tokanui School hoodies or want to order a second hand hoodie (\$10) then please contact Beth 2468 558
