FaceBook

As you are aware there are number of key Facebook pages in our community

The **St Leo's Catholic School PTFA** Facebook page is being refresh daily with Village Fair updates.

The more number of **LIKES** our pages receive and the more people attending our events through Facebook the more visible they are to the community through our Facebook connections. This is an easy and cheap way that we can all help promote the event and thank our sponsors; as each **like** triggers a reaction!

Fair Tree

Thank you to all the families that have put up their hands to help on fair day. You will be contacted by the stall co-ordinators and the Fair Tree is now available to view outside the OLD SCHOOL OFFICE and ST CLARES.

We are still looking to fill a couple of spaces and to have reserves to give others time to enjoy the fair – if you are still to come forward please get in contact. Older children or their friends are also welcome to help with a stand. (email: Stleospfta@gmail.com or put your name down at the office)
