### NEW BOT

Thank you to the many parents who have voted in our recent Board of Trustees election. Votes have been counted today and the results will be published in the North Shore Times. We will also publish these on our Facebook page once candidates have been informed of the outcome.

Thank you to the seven people who put their hands up to stand for the board. We are lucky at Bayview to have so many people willing to give their time and skills to support the school.

### END OF TERM 2

Just a note that term 2 finishes at 2pm on Friday 8<sup>th</sup> July. Term 3 begins on Monday 25<sup>th</sup> July at 9am.

Dear Bayview Families,

### FALE COMMUNITY PROJECT:

What a fabulous community we have in Bayview! I am sure you have all seen the stunning fale's that have been painted and decorated with art from our community. A huge thank you to Ro Stott for co-ordinating this and inspiring us all into action. Thank you also to all the volunteers that came along on one or both of the working bee's to pull the project together. Special thanks to the yarn bombers who worked secretly behind the scenes to knit jumpers for the trees! This group are officially called the Bayview bombers and are already planning their next project!

### WALKING YOUR DOG IN THE SCHOOL GROUNDS

We love that our school grounds are being used for a range of activities and it is lovely to have such a big school field that you can exercise your dogs on, BUT... a responsible dog owner is required to pick up a dogs faeces (or poo!) If you use the grounds to exercise your dog please ensure you have a plastic bag to pick up after it. If you see someone not doing this please take a photo of them so they can be reported to animal control. There are a few of us who are having to pick up after others who are less considerate.

### EDUCATION REVIEW OFFICE

This week we have hosted Deb Jolly and Kellie Kawhia-Conrad from the Education Review Office. It has been a fabulous week of sharing what we do and our many success stories. The staff have worked really hard to ensure everything has been in place this week. We would like to thank the community for your support during this time with helping to get the school ready and ensuring everything ticks along nicely. The Board of Trustees is meeting with the ERO team on Friday afternoon and their initial findings will be shared. We are very proud of what our children are achieving and the way they conduct themselves as learners. I am also very proud of our staff who work so hard to be innovative, caring, and up to date practitioners.

### MATARIKI

The Matariki sleepover is on Thursday 16<sup>th</sup> June for year 4, 5, and 6 students. If your child has not yet returned their permission slip and medical form this is now due. Forms can be collected from the office if your child has lost theirs.

Our Year 0-3 students will be participating in a Matariki activity day on Thursday 16<sup>th</sup> June also.

### BOOK FAIR IS COMING

Our annual book fair is due to arrive on Thursday 30<sup>th</sup> June. This will be open for our feedback to parent meetings also on the 30<sup>th</sup> June so parents can peruse the books while you wait to meet with teachers.

### FEEDBACK TO PARENTS MEETINGS

On Thursday 30<sup>th</sup> June Bayview School will be closing at 1pm to hold our mid year feedback to parent meetings. These meetings are where teachers will tell you how your child is progressing towards the national standards. The mid year report will also be written with you so you have a full understanding of how your child is achieving and their next steps of learning. Teachers will also discuss with you how you can best support your child's learning at home. Teachers will be in contact with you soon to arrange appointment times. Please take this opportunity to show your children how much you value their learning.

## School Notices

### Welcome to our new pupils:

A new Lunchroom menu came home 2 weeks ago

## Auckland City Mission One Can – Two Can

Our school has chosen to support the Auckland City Mission's One Can – Two Can appeal from Monday 20<sup>th</sup> June to Friday 1<sup>st</sup> July and we are asking our families to support this wonderful cause.

This winter, the mission needs to collect enough non-perishable food items and vital funds to support thousands of Auckland families struggling to put food on the table and in their children's lunch boxes.

One Can – Two Can is a huge part of the missions winter appeal and they rely heavily on the donations they receive from Auckland Schools – Even just One Can makes a difference, providing vital support and nutrition to a family in crisis.

Please support the Auckland City Mission by ensuring your child has a can of food to bring to school from Monday 20<sup>th</sup> June to Friday 1<sup>st</sup> July.

## Community Notices

**Calling all old Mobile Phones to help Sustainable Coastlines look after NZ's coastlines and waterways.**

After \$2.5 million donated to the Starship Foundation from the sale of unwanted old mobile phones it is time for a new multi award winning NZ charity - Sustainable Coastline to benefit from this scheme.

It would be great if you could rummage around in your drawers and toy boxes and bring into School any unwanted mobile phones you may have.

Phones collected help our School gain valuable rewards and also the environment benefits by keeping our landfills free of mobile phones and their array of hazardous toxic substances. Please drop any unwanted mobile phones you may have in the collection box in the reception area at School.

**Clay Master After-School Program at the Glenfield Community Centre** – which begins in the first week of T3 on Wednesday 27<sup>th</sup> July. It's a 9 week program with a 1 hour workshop every Wednesday at 3.30pm until 21<sup>st</sup> September.

It's a great little program with all materials provided and this is the first time we'll be offering our programs in your area. For more information we have a website [www.claymaster.co.nz](http://www.claymaster.co.nz) and also an event page [www.claymaster.co.nz/glenfield-after-school-program](http://www.claymaster.co.nz/glenfield-after-school-program)
