Weekly Panui – Monday 6th November 2017

Kia ora Koutou Whanau,

Week 4 already :) We are starting our end of year assessment work and will be looking at the progress our students have made over the past couple of terms. You can expect a written report on your child's progress in Week 8 (Monday 4th December) and will be invited to attend a 10 minute parent/teacher conference on Wednesday 6th December. These

reports and conversations are a key part of our home-school partnership and allow us to add

more detail to what we have indicated in the report. Please note this day in your calendar to ensure that you can attend. Times will be allocated closer to the day.

Dog poo was found—by a child's foot :(- near the big slide and adventure playground last week. PLEASE make sure there are no dogs on our school grounds.
