Welcome to Team Tumeke...(Room 1)

Novel study

Last week we were given a novel to read and study throughout each chapter. Each reading group in our class were given different novels. Check out Miya's summary.

A large dark shape but to the man's mind, her eyes seemed to judge him .

A few hours later Vancy has always felt like an outsider and is haunted by the identity of her true parents. Now she is fourteen, and it is more obvious than ever that she doesn't belong. She is determined to find out the truth behind her birth, but that means venturing out into the hinterland .

The baby was laying quietly on top of the boulder... Her steely grey eyes started at the looming figure of the man. Out into the desert loosely in one arm, like a sack of gravel . When he reached the boulder, he paused, squinting into the distance. Maybe he was expecting something but there was only the flat, rocky wilderness that was the hinterland . .By Miya G

Raukawa Falls Camp (Room 1&2)-Monday the 20th- 24th November

Next Monday the 20th of November, Room 1 will be going to Raukawa Falls for camp. Room 2 will be joining the fun with us on Wednesday 22nd of November. On our way to camp we are stopping at Kowhai park in Wanganui, to have lunch. Then we will be arriving at Raukawa camp site. During camp, we will be engaging in activities that challenge us, like the 'Flying Kiwi', 'The indoor climbing wall' and 'High Ropes'. We will be returning to school on Friday. We are all very excited.

Maths

In Room 1 we have been learning about measurement, area & perimeter.

We learnt that area means the inside of a shape. And perimeter means the outside of the shape. We have also been working on our multiplication and division.

Work this one out - $84 \times 8 = ?$

NOTICES

GARDEN JUDGING—For those of you who have grown gardens as part of our Ag Day, we will be judging them on 5th December starting around 9.30am. So make sure they are tidied up and weed free and we will be collecting the diaries when we visit. A reminder will go out closer to the time.

NITS—Reminder to keep an eye out for these little critters and to treat your child's hair when required.

CHRISTMAS TWILIGHT MARKET—Monday 20th November, 6pm—9pm, Mt Biggs School Community Hall. For more information see the school notice board.

AG DAY CAKE PLATE—I have had a plate handed in to the office from Ag Day. If you think it is yours please see the office. I think it had a chocolate cake on it.

Board of Trustees update -

Kia ora Everyone,

We are on the countdown to Christmas now and I thought it was a good time to catch everyone up on what the Board has been doing.

We had a really successful ERO report, showing us that the learning programmes we have put into place in the school are working to accelerate our children's achievement. A big thank you goes to Troy and the Teaching Staff for working so well through the process. I encourage you to go online and read the report.

With our roll growing exponentially, we have been looking into the classroom numbers and structures for next year and trying to make sure we can keep our class numbers down. More information will be coming home about this before the end of the term.

We have been looking into introducing a new uniform shirt and shorts, we are still in the process of choosing the best option.

It has been great to see everyone coming down to support their children and all our different events this term, Ag Day and Athletics were real highlights of this term. We wish our students in Rooms 1 and 2 a great experience at camp next week.

If anyone ever has correspondence for the Board, please submit it to the office to be included in our inwards correspondence folder. This needs to be done 5 days before a Board meeting. Our next meeting is on the 30th November.

Have a great weekend,
Elly Nagel
Board Chair

Championship Day Results

Manawatu Oroua Boys and Girls Agricultural Club

Lamb Leading—Intermediate— 1st Kate D

Lamb Calling—Junior— 2nd Sophie G

Calf Leading—Junior—2nd Madison F

Calf Care & Attention— Junior—2nd Madison F
