## I C.A.R.E.

At Bayview School we weave our I CARE values throughout everything we do. We value highly Citizenship, Attitude, Responsibility and Empathy. Every student has the potential to earn an I CARE award at the end of this year. To do this they will need to consistently demonstrate the values over the year. I CARE is not a check list that you can tick off, nor is it something a child can get if their parent organises events or activities. We take the awarding of I CARE certificates very seriously and evidence must be provided for a student's name to be put forward for an award. Also for a student to receive a silver or gold, they must consistently display bronze and silver values accordingly. For more information on this please check out our website or come and speak with your child's teacher.

Dear Bayview Families,

Welcome back to an exciting school year! A huge welcome to our new families. It is lovely to have you join our Bayview whanau.

We have an exciting year ahead with a packed curriculum sprinkled with the magic of extra events and activities.

I would like to thank all of you for ensuring your children have the correct stationery, uniform and school hat to start the year with. This makes it so much easier for the teachers and means your child has a positive start to their academic year.

I would like to thank all of the parents who have volunteered for things such as patrols duty and walking school bus. Without your support we would not have such an amazing school. Thank you so much for giving up your time and energy for our students!

This year we have some construction happening around the school. Some of this may cause a slight disruption to the school but nothing we can't handle. We experienced a delay in getting our 2 leaky classrooms demolished so work on this is ongoing. Work is proceeding with the strictest health and safety to ensure our children, staff and our neighbouring providers are all safe. After the demolition of these classrooms the Ministry of Education will be laying a new court area in this space and next to the hall. They will reinstate two netball courts and one basketball court. This will hopefully be in place by the beginning of term 2.

Also this term the 4 new classrooms will be set up for use. The room sitting by itself on the court will be moved and placed next to Habitat 16. All of this work will be completed under very strict health and safety rules and regulations.

### Welcome to new staff

Welcome to Kaye Bond in Habitat 16 and Shannon Corlett in Habitat 4 who have joined the Bayview whanau this year. We know both Kaye and Shannon bring great value to the team and have already made a fabulous start. Over the summer break our lovely Ms Grace became Mrs Willcocks! Dani married Matt at a special ceremony in January and I am sure you join us in congratulating them and wishing them a lifetime of happiness.

### HEART KIDS FUNDRAISER

Bayview Primary celebrates International CHD day (Congenital Heart Defect) on Wednesday the 14<sup>th</sup> of February.

You can enjoy beautiful home baking for only \$2. We will also accept donations for this wonderful cause. Wear red/pink mufti for a gold coin donation. And we will have wristbands for \$1.

Don't be late – last year we ran out of cookies! We will be outside the Multimedia Suite from 8.30am on the 14<sup>th</sup>.

Heart Kids is a charity that supports kids born with a CHD through life!

### Queries and Concerns

As with everyone sometimes we don't get things quite right. This of course makes us human. I want to assure you everyone at Bayview loves their job and really wants the best for every child here. Should you have an issue please communicate with the appropriate person. If it is regarding your child, your first stop should be the class teacher. Next stop is the Learning Group Leader: Harakeke – Jacob Allison; Kauuananu – Alyssa Farrow; and Pikorua – Danielle Willcocks. Any health and safety type issues can be brought to the attention of either Shelley or myself. We both have an open door policy and often are able to see you when you call in to the office. On the odd occasion, we may not be free and may need to book another time with you so we apologise for this in advance.

### Communication

We use a variety of methods to try to communicate with parents about school activities and events. A newsletter comes home every second Thursday with general news and a diary of upcoming events. Separate notices come home about specific events and trips so please check your child's bookbag/schoolbag regularly for these. We also use our Bayview Primary facebook page (the one with the lion murals) to inform and celebrate events (Please note the Friends of Bayview School facebook page is only for fundraising information). Our school website is where you can find most information about how the school functions and you can notify us of an absence, pre-enrol a child, and sign up to receive our regular newsletter. We have our ezlunch website for paying for stationery, hats, trips and sports teams this year and you can order your child's lunch on ezlunch as well. We also communicate events on our electronic sign.

We do try our best to let parents know what is happening and try to give lots of notice especially when money is required. Please help us help you by signing up to the electronic forms of communication and be proactive in checking your child's bag for any "old skool" notices!

We look forward to working alongside you this year ☺
