Our School Library—Open for business! :)

The school library is open on Wednesday every week, with Mrs Gillian Trent as the librarian. Each class visits and Mrs Trent assists with book choice and teaching the students how to get the most out of this valuable resource at the heart of the school. If any one in the community would like to visit the library to browse and issue books, please come along on a Wednesday and have a chat to Gillian about setting this up. We are looking to have a parenting section running efficiently by the end of this term.
