Dear Picton School Community

You are formally invited to our

Coffee & Nibbles provided

Lets plot an exciting course for the future of Picton School. **Come along to share your wishes and big thinking.** Hopefully be enthused to support or connect to one of the projects.

Topics up for discussion and exploration are:

- An exciting big picture project about the school environment (bring your ideas to the table)
- Hear about the next steps with the Waharoa Project. We have the plans on paper
- A slight change to our Vision Statement
- Explore the goals of the PSAS
- Talk to members of the Board of Trustees about their role, their sense of excitement and satisfaction
- Enjoy nibbles while catching up with neighbours and friends

Picton School Community welcomes input and support in every way and level

You will not have to sit and listen to a lecture about education, health curriculum or National Standards

Sun Safety

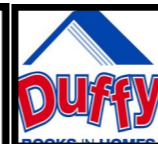

We wear out Sunhats throughout Term 1 and 4 because the Cancer Society has informed us that even on cloudy days, the Sun's Ultra Violet rays can be damaging during those weeks. P.S.A.S buys and maintains the hats for everyone.

Storms

Before a storm, prepare an emergency kit so you can cope on your own for 3 days.
Before a storm, check your roof and guttering is secure every 2 years.
Before a storm, move outdoor furniture inside or tie it down.
Before a storm, keep materials at hand for window repair work (tarpaulins, boards, and duct tape).
