## INCREDIBLE YEARS PARENTING PROGRAM

Parenting is probably one of the hardest jobs around, but few people have any training for it. If you're interested in learning more about being a better parent, The Incredible Years programme could be for you.

The Incredible Years programme is for parents with children aged 3 to 8.

It will help you learn ways to:

- build a healthy relationship with your child
- understand your child's development
- encourage positive behaviour
- address challenging behaviour.

This course is one 2-3 hour session a week, for eight weeks. We have the opportunity to run this at our school if we have 15 or more parents interested in attending. It is a great program that has been running for years and is of benefit to ALL parents who have taken part.

**Please let the office know if you would be interested in attending this course.** We have already had a great response with about 10 parents indicating they would attend—if we get a few more families this will go ahead. :) Will be a good time to get together and share our parenting issues/concerns/successes.....

## **Congratulations to our School Leaders 2016**

We will put a picture and blurb from each leader about their strategies & initiatives to improve the school over the next year.

Well done to: Daniel Muller, Ben Johnston, Brayden Brown, Reg Vanner, Toby Stubbs, Liam Adams, Katie Stephens, Kasey Hall and Joshua Norman.

We have also appointed two very capable deputy leaders: Tegan Negus and Jennifer Halford.

We'll update you with a brief bio on our awesome leaders next week :) Congratulations to these students again! They had to follow a fairly rigorous process to achieve this goal.

## Help us!

### **We are trying to locate our school banner and tarpaulin!**

They easily pack into a sports bag— not huge, like an overnight bag! We are thinking that, possibly, they have been picked up from the cluster cross country event last year, and most likely stored carefully, in someone's garage! **ASK** yourself and think back could that have been me?

### POINTS TO NOTE

## Herbs Wanted

We are looking for some herbs for our herb boxes again. Over the holiday the herbs died because the end of term got busy and they did not get planted and dried out. Now the herb boxes are ready to go and we will take more care of them so the school has a fresh supply of herbs. Sorry and Thank you! Reg and Josh.

## Mrs Brown's Boys

Vector Arena, Auckland

 2.00pm Show

Good Mourning Mrs. Brown features the original cast, with Brendan O'Carroll as Mrs. Brown and will re-live many of audiences' favourite moments from the hit Channel 7 TV series with new scenes live on stage.  
 "Australia was fuckin' amazing. We loved the experience of being Down Under and can't wait to get back.", said Brendan O'Carroll from his home town of Dublin.  
 In Good Mourning Mrs. Brown, we see Mrs. Brown and the whole family tackle the wake and funeral of Grandad Brown. There is just one problem, Grandad Brown is not dead! It's the usual unmissable side-splitting mayhem of Mrs. Brown's Boys live on stage!
