Weekly Panui – Wednesday 21 March, 2018

Kia ora Koutou Whanau,

ClassDojo is a classroom communication app used to share information between parents, students & teachers. Teachers track student behaviour and upload photos or videos.

Room 1, 2 and 4 all use ClassDojo as a method of communication with whanau; to share learning, class messages & school notices. We can send out messages to the whole school, just one class or individual parents. Please make sure you are connected to this app, it is really easy to load onto a smartphone or tablet and sends instant notifications when a photo or message is added.

For School Camp...

We are looking for a couple of BBQs to take to school camp with us for cooking.

Please contact Pip or Shannon if you can help us out. We can transport them to and from camp.

JUNIOR RUGBY FOR BOYS AND GIRLS

The rugby season is almost upon us, beginning in term two, and for your family to be able to make sporting choices you might need to know a few things about Reporoa Rugby.

- U6 - U13 teams will be playing on Saturday mornings in Rotorua

- Training is Thursdays in Reporoa and if numbers allow in Waikite for U6 and U7's Rippa

- Rural clubs can get dispensations for new players and smaller framed boys and all clubs allow girls to play a grade below

- Reporoa subs are minimal and the player receives more gear than the cost of subs

- muster details to come with a planned time of late March early April

if you would like to know more, please feel free to contact Norm Armer on 0274 488 887

or join the Reporoa Rugby Football Club facebook page [Reporoa Rugby Football Club](#)

[\(Reporoa RFC\)](#) to keep up to date with Club information.

Welcome to Waikite Valley School

2018 Soccer Season

Calling all children 5–10 years (boys and girls).

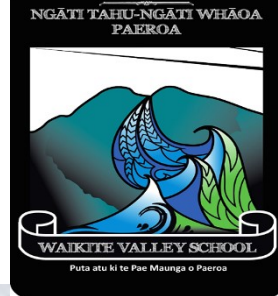

The 2018 Soccer Season is fast approaching, if you would like to play soccer for Valley Football Club in Term 2 please email your details to carbonelclan@gmail.com to register your interest.

Once I have all the names of interested players I can then make up teams and will email parents with links on how and where to register with our club online. If you have any queries please feel free to call Shereen on 021 0260 9722 to discuss.

Room 3 & 4 visited Torunui Museum last week to look at Geothermal Activity and studied the temperature, Alkalinity and Acidity of our Mud Pools.
