Dear Parents/Caregivers

A big thank you to all the parents who came along to our School Vision Evening. It was great to get feedback from our community on some key changes and initiatives.

PSAS have followed that up with an invitation included with this newsletter, with more information regarding how you can help. We have exciting times ahead and we are keen to share our enthusiasm and to get your support.

**PB4L**

Picton School is signed up for PB4L- which stands for Positive Behaviour for Learning School Wide. PB4L School-Wide looks at behaviour and learning from a whole-of-school as well as an individual child perspective. The framework is based on international evidence.

The Positive Behaviour for Learning School-Wide framework, otherwise known as PB4L School-Wide, is helping New Zealand schools build a culture where positive behaviour and learning is a way of life. The framework can be tailored to your school's own environment and cultural needs.

It's not about changing the students; it's about changing the environment, systems and practices you have in place to support them to make positive behaviour choices.

PB4L School-Wide is based on the Positive Behavioural Interventions and Supports (PBIS) framework developed at the University of Oregon in the 1990s. PBIS is now in thousands of schools across the United States and there are over 700 School-Wide schools in New Zealand.
