Parents please pick up your children by 1.00pm or make alternative arrangements for care

Please fill out and return the form that was sent home on Wednesday, this is URGENT!

All teaching staff will be attending the NZEI meeting.

SAFETY AT HOME TIME

A reminder to all parents and caregivers to make sure your child knows each morning where you will collect them, if they don't walk home, each day after school. For Year 4 and younger we suggest outside the classroom.

In cases of special circumstances where you might be later than 3.10pm please phone the Office and let us know so that we can notify your child and they can either wait under the oak tree or in the Office if wet.

Please ensure all your LEOTC forms are updated and back at school so that we have your current phone numbers.

It is especially important on those days that school finishes early.
