Health & Safety Tips

Please talk to your children about being cautious around cars and traffic. It is important they concentrate and do not get distracted by talking with friends or look at their phones while walking across the roads when going home. Please make sure that your child uses the light-controlled crossing on Sunnybrae Road rather than crossing at other spots when the cars are stopped at the crossing.

Tēna

koutou to all of our parents, caregivers and whānau,
