Weekly Panui Monday 16th May, 2016

Kia ora Koutou,

After much effort to fanagle, we now have confirmed our Parenting Workshop Programme, which will be facilitated by Dee Horne (The Parenting Place) and is from the "Toolbox Parenting" courses. This course will be run on Monday nights starting 30th May. It is a six session course and it really pays for us to sign up and attend the entire course as a group—so we can get the most out of the experience. The course usually costs \$75 per person or \$110 for a couple, we have decided it is important enough for us as a school community that we will pay for the course facilitator. Therefore, the opportunity is there for any parents who would like to attend to come along and be part of the group. It will be an entertaining and very worthwhile use of our time. Please sign up on the form enclosed. There is a maximum of 14 people who can enrol.

Pink Day—This Friday is "PINK DAY" at Waikite Valley School. Pink Day is a day that we talk about the importance of tolerance and not 'picking' on people or bullying them for being different. Please encourage your child/ren to wear something pink and bring a coin to donate. All money will go to the Mental Health Foundation.
