Dear Bayview Families,

Wow we are nearly at the end of term 1 already and what a busy term! The kids have been amazing really rising up to the many challenges they have been faced with this term. They have coped with two building sites and very restricted access around the school and have coped with reduced play areas! They have been incredibly resilient around all of this activity and change.

Resilience is not something that children are born with, they must be taught this early on so they have the skills to be able to cope with adversity or challenges. This starts as a toddler and then we can continue with your fabulous work once your children start school.

### BUILDING WORK

The building works at the school are nearing an end (thank heavens!). Astley Construction are working hard to get our new classrooms ready for occupation from the start of term 2, but as we know with all things construction sometimes things do not go to plan!

Our aim is to have habitats 18, 19 and 20 ready for classes to move into at the start of the term. Before they can move in though we will have the classrooms blessed by a Kaumatua. We will let you know of the details around this once we have a clearer timeframe from the builders.

Over the April break the work next to the hall will also start (hopefully!). Our new court area will be laid with 2 netball courts and one basketball court and the general area will be tidied up ready for the children to use. The side wall of the hall will need a bit of remediation work as this has not been exposed to the weather before!

Once everything has been completed we will have amazing new spaces for the children to use!

We would like to thank you all for your continued support and patience during this very disruptive time.

### RAFFLE

In 2017 we raised \$8000 from our school raffle. This year our target is \$12000. All money raised will go towards building a new adventure playground to replace the 40 year old original playground (which is really showing its age). Please support us by selling as many tickets as you can, workplaces and sports events are great places to sell! If you are unable to sell tickets please bring them back to school so other parents can sell more. The raffle closes on 6<sup>th</sup> May and prizes will be drawn under police supervision on 10<sup>th</sup> May.

### FEEDBACK MEETINGS

Within the next few weeks our teachers will be meeting with you to discuss your child's progress to date this year. Some of these meetings will be child led and others will involve the teacher and your child sharing progress and achievement information. These meetings are very valuable so you can find out if your child is tracking with the progress they need to make to reach the expected level with their learning. Once a child knows there is a great working relationship between home and school it helps them build their Bayview learner skills. We hold these meetings now as it is too late at the middle of the year to find out your child needs your support. If your child's teacher has not been able to get hold of you yet please phone them to arrange a time to meet.

### BABIES AND NEW STAFF

At the beginning of term 2 we welcome Mrs Kawal Bedi as the new teacher in habitat 14. Our lovely Zoey Lovegrove will be going on maternity leave from Friday 4<sup>th</sup> May. We wish Zoey, Ryan and Mia our very best wishes with the arrival of their new addition to the family. Eileen Davids will be going on maternity leave from 14<sup>th</sup> June and from 18<sup>th</sup> June Mrs Charmaine Wiesner will be joining us on staff.

### BEING AN UPSTANDER

A huge thank you to everyone in the Bayview community for being such great upstanders and voting for Bayview School in the Genesis Energy School Gen competition. It takes everyone getting on board to make a strong community and we very much appreciate your support. When you get involved you are role modelling compassion and empathy and positivity. When you see value in helping others, your children see value in helping others. When you value the school, your children value the school.

*Please remember school finishes at 2pm on Friday 13<sup>th</sup> April for the end of term 1.*

*Have a safe and enjoyable April break with your children. We look forward to seeing them back on Monday 30<sup>th</sup> April.*

### C3 PARTY

We feel incredibly lucky to have been chosen as the school to receive a fully funded school party. This is being hosted by C3 Church in Ellerslie and is happening **this Saturday 7<sup>th</sup> April from 11am – 1pm**. There will be bouncy castles, wrestling, candy floss, Mr Whippy, shoulder massages for parents, and much, much more! The lower carpark will be chained off so there will be no parking available on the school grounds. The party will be based outside the hall and on our side of the lower carpark. It is only for 2 hours but is sure to be lots of fun! We hope you will be able to join us for this special event. Please note it is all free and there will be no fundraising type events (but I expect the queues to be quite long for Mr Whippy! I'm planning on getting in early!)

## KUMON

### Two week free trial

Trial the Kumon English or Maths Programme over two weeks during May.

Find out how we can develop in your child:

- Calculation and reading ability
- Concentration
- A daily study and reading habit
- The confidence to learn independently

Just follow these four easy steps to register:

1. Call your Kumon Instructor to register for an information session
2. Have your child assessed for the Kumon English or Maths Programme and discuss a study plan
3. Arrange for your child to attend four consecutive class sessions during May
4. Meet with your Instructor to discuss your child's Kumon experience

## Sports & School News

### School Sports Fees

There are still some unpaid sport fees. Please make arrangements to get these paid. Shannon Sofaea in the office is happy to discuss a payment plan if this is needed.

### School Donations

Thank you to those parents who have paid this year's donation. Your contribution enables the Board of Trustees to provide all the extras our pupils receive which the government funding does not allow for.

We accept payment by cash, cheque, Eftpos, on Ezlunch or directly into our bank account, 12-3072-0331240-00
