Kia Ora Whanau

I cannot believe how fast this term has gone, it's unbelievable. It has been an extremely busy term and we thank you, as our school community for your help along the way, thank you for giving up your time, and for the use of your vehicles and trailers. It means a lot to us to have your support, it really is appreciated!!!!

As this is the end of term, it comes with great sadness that we farewell Mrs Barnett. She is a wonderful teacher, her kind and caring nature has helped her students make excellent progress. I would like to wish her all the best on her travels and for the future.

ANZAC day is in the holidays and as we all do, we participate in this very special event. We will gather at school on Wednesday the 25th of April, at 9.30am. Please be in '**full school uniform**'.

Have a wonderful holiday and I look forward to seeing you all on the 30th of April for day 1 of Term 2.

Your Principal
Troy Anderson

A morning stroll through the park

The morning dew was soaking into my cold feet. The wet mouchy grass was shining lime green. The shimmering stream was shining bright. It was too hard to look at. The wind was hardly blowing. It was like there was a big traffic light shining bright red telling the wind to stop. The bees were buzzing around the park landing on the flowers. The mountainous mountains had trees lying all over it. The prickly soft bushes were sitting all around the park. The rough hard path was sitting onto the warm wet grass. You could taste the picnic you were eating further down the trail.

Steak and Chips with a Chocolate sundae

My favourite food is steak and chips with an oozing chocolate sundae. As I stare at the crispy chips I see the steak steaming from the plates. And it smells like salty moist steak. As I cut into my steak, juice slowly oozes onto the plate. I put it in my mouth and it explodes in flavour. I pick up one crispy chip and put it in my mouth and it crunches so loudly it gives me a fright. The chip was perfectly salty I quickly devour the rest of my salty crispy chips.

As I continue my meal I eat the rest of my steak so I can start my sundae. I quickly pick up my spoon and I stab it into the oozy soft serve chocolate sundae and lift it to my mouth. I accidentally eat it too quick and get a brain freeze. I stop and admire the smell and look of the sundae to wait for my brain freeze to pass.

Once I finished my pudding I had a drooling mouth for more.

YOUNG ACHIEVERS

Fonterra Triathlon—by Maia Kopke

On Wednesday the 14th I went to the Fonterra triathlon. Zoe, Rhiannon and I were so nervous when we got called up. The man said “First you run two laps, then bike three laps and swim two laps”. Then he shouted “On your marks get set go!”. That’s when Zoe, Rhiannon, Evie and I started running. We started on our first lap and half way through the first lap I got the stitch. When we finished our long painful run we then put on our helmets and walked our bikes to the cones, once past the cones we got on the bikes and biked three laps. When we were biking me and Rhiannon were biking next to each other cheering for each other. After our laps on our bikes we then put our bikes down got our goggles and ran to the pool. Me and Rhiannon dived into the pool and we both swam with flutter boards and also with our arms a bit. After I finished I couldn’t feel my legs. Once I finished Mum brought me a well deserved ice cream from the ice cream truck.
