1st May 2018 - Week One/ Term Two

**CONTACT DETAILS for VAN** Please contact Van drivers or Fran, before 7.30am, if your child will not be on the van : **Fran 027 289 3913 Steve 027 496 3331 Terry 021 202 6020**

Dear Parents, Caregivers and Whanau,

It is great to see everyone back for the second term at Aberfeldy School - apart from Max who is sick and we hope he makes a speedy recovery and joins us later this week!

Many of our students seem to have grown so much taller over the holidays! We are looking forward to a fabulous term of learning and having fun together.

### Swimming Sports & Bike Park:

What an awesome day was had by everyone! The children had a great time at the Splash Centre and results will be in next weeks newsletter. It was a bit chilly outside but pizzas for lunch soon warmed everyone up! The bikes were a great way to finish the day off and some students even learnt how to ride. See the face book page for photos of the day.

### Seniors Technology:

Year 7 & 8 students will be going to technology at Gonville School on Thursday for this term. The student's will come to school first and then go back in to town with Matua Steve and will return to school early afternoon. Students must wear covered in shoes and have their hair tied up if its long. Children can take morning tea and a drink with them but will have lunch when they return to school. NO students are to leave Gonville School grounds.

### Leadership Challenge:

**Tuia Challenge Year 7 & 8 students** - these students will be joining with our Wanganui East Rural Cluster Schools to complete their physical challenge, which is the cycle ride over the Old Coach Road in Raetihi next Friday (11th May with a back up date of the 14th May).

Cycles and helmets will be hired for the children. Final details of the day will be sent home as soon as they are received - eg. what to bring, times etc,  
It is sure to be a really great day!

**Careers Day** - also in conjunction with our Wanganui East Rural Cluster School group, our Year 7 & 8 students will spend the day at Ohakea Airbase. Details of this day will be sent home closer to the event.

### School Lunches:

School lunches start again next Monday - 7th May with the children requesting "Fish & Chips" and "Jelly and Ice cream" Please ensure that you send along your payment with your child's order.

Last term we made \$251.00.

See order form over leaf....

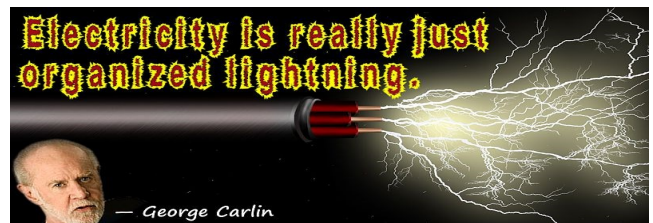

### Juniors Art Gallery Visit:

We have just received the pottery heads our junior children made at the Wanganui Art Gallery. They have been fired and look really cool - photo below.

### Science:

Everyone is looking forward to our science unit on Electricity and our STEM unit on Robotics.

More science quotes at Today in Science History [todayinsci.com](http://todayinsci.com)

### KIDS CAN:

In the next few weeks will be putting in an order with Kids Can for shoes and jackets for any students that require these for the colder winter months.

### PIES FOR THE WINTER MONTHS:

Pie fundraising forms will be coming home in the next week or two - this is a great fundraiser and good to stock the freezer up with yummy pies including meat and fruit varieties!

## Calendar Dates

- Thursdays - Seniors to Technology
- Friday 11th May - Seniors to Raetihi for Tui Challenge
- 7 & 8th June - Life Ed at School
