Book fair arrives 28 June

Near the end of this term we have our annual book fair arriving. Our first day for selling is Friday 29th June and last day will be the 4th July. Now would be a great time to start getting your children to earn pocket money so they can buy their own books. Just think you could get the house vacuumed, rooms tidied, cars washed, etc, and the kids will understand the importance of money once they use this to make their own purchases!

PAID UNION MEETING

On Tuesday 19 June our teachers will be attending a paid union meeting from 1pm. Please note we will not have the staff to enable us to keep the school open during this time and ask that you collect your children from school at 1pm this day.

Dear Bayview Families,

Welcome back to Term 2! We have an action packed term with sports, trips, and lots of fun school activities. We always appreciate the time you are able to give your child around their schooling. It truly takes a village to raise a child and together we can ensure your child has a successful education. Thank you to all the parents who came in for feedback meetings or student led meetings at the end of term 1. This is a valuable time to find out how your child is progressing and how you can support them best. We are currently reviewing how we feedback to you at mid-year i.e. our mid-year report and feedback meetings. We have created a feedback form on our website where we would love you to answer two questions:

1. What information do you want to get from mid-year feedback meetings?
2. What information do you want in the mid-year written report?

If this doesn't suit then we have a sheet on the radio station window where you can give your feedback. Please take the time to have your say.

BUILDING WORK

The building works at the school are nearing an end (thank heavens!). Astley Construction have finished the installation of our new Habitat's 18, 19 and 20. Very soon classes will move into these new spaces. H4 will move to H18, H9 will move to H19, and H8 will move to H20. We will be starting a new Y0 class later this term and that class will be in H17 (yet to be completed).

Once these classes have moved H9 will become a break out space for the library and H8 will become a maker space for classes to use. With roll growth, we will use H4 as a space to start a new class later in the year.

There has been a delay in getting the new court area laid due in part to the storms we have had in Auckland and the need to repair existing surfaces, which has caused a shortage in suppliers across the Auckland region. The Ministry of Education are working hard to try to get this resolved for us so our children have play areas during wet weather.

BABIES AND NEW STAFF

At the beginning of term 2 we welcomed Mrs Kawal Bedi as the new teacher in habitat 14. Eileen Davids will be going on maternity leave from 14th June and from 11th June Ms TeAna Lambert will be joining us on staff taking over H8.

STATEMENT PIECES

Did anyone watch House Rules over the summer? We used one of their ideas to provide a bit of healthy competition on our staff. I challenged our PLGs to create a 'statement piece' somewhere in the school. They were given a \$100 budget which they were not allowed to go over, but there were no other rules except that it had to be child centred. You may have noticed we now have a wonderful Snakes and Ladders game painted by the hall and the little house next to the sand pit has had a makeover. In the central courtyard we have a discovery centre where children can make music or explore marble tracks or drive a miniature road. Maybe you have seen the skateboard ramp and accessories? What a talented staff we have and so dedicated to the kids!

CORBAN ESTATE ART CENTRE

From 6th June until 15th June all our classes will be visiting the Corban Estate Art Centre to explore the visual arts. The schedule for this is in the diary section to the left of this page. Some classes are making ceramic sculptures, others are creating machines from recycled materials, and others are making machines with movable parts. Each of these workshops is run by a resident artist. The different prices reflect the cost of materials and the complexity of the workshop. Thank you in advance for paying this cost before your child is due to go. This can be done on ezlunch or at the office. A separate letter would have come home last Thursday with the cost and a permission slip. If you have not received this please ask your child for it. We do need parent helpers who can support with supervision but please be aware you will not be able to make your own creation and sadly this is not appropriate to bring toddlers to as your full attention needs to be on our Bayview students.

BEING AN UPSTANDER

A huge thank you to our wonderful upstanders in the community who have been proactive in their support of Bayview School.

Anne Crooks who has organised and run the school raffle.

Victoria Anderson and her army of volunteers for organising and running the Bayview Garage sale. All the parents and community members who have donated goods for the garage sale.

A safe gentle full-body workout for all levels and ages that will simultaneously combine strengthening and stretching, increasing flexibility and improving posture as well as rebalancing the muscles, increasing a range of motion of the joints, relieving joint pain.

Classes are every Monday 6-7pm at the Bayview Community Centre. Bring a yoga mat, small towel and a drink bottle.

Cost \$5 for more details contact Iris at essentricsiris@gmail.com

Pink Shirt Day

Pink Shirt Day is Friday 18 May 2018! Pink Shirt Day is about stopping bullying and celebrating diversity. Bayview's theme for Pink Shirt Day this year is 'Be a buddy not a bully'! On Pink Shirt Day you can wear a pink or red shirt to school and bring a gold coin donation. All proceeds go to the Mental Health Foundation.

Pink marshmallows and stickers will be given out by active supervision teachers on Pink Shirt Day instead of tokens! Let's make a stand against bullying! Bayview upstanders at their finest.

Community News

Looking for Childcare? I have limited spaces available in Bayview. Home Grown Kids get to do everything that tamariki should do: climbing, baking, painting and building; laughing, dancing, singing and playing. Your child will get to form a special bond with just one caregiver who really gets to know your child's needs. It really is the next best thing to your children being at home with you!

Visit Sophie's profile @ www.homegrownkids.co.nz for more info.
