Team Whero: We really enjoyed the magician who came to school yesterday. Well done to those of you who took part in the Cross Country.

Team Karaka: We are well on our way to completing our science badges. Our next focus is starting our Social Science project. We are also going to start working on our speeches.

Team Papura: We are taking part in the Social Sciences Fair this year. Some of us are doing our own subjects, others are researching farming. Social Sciences is the study of "How things work for us." So all our studies will be on the impact on people.
