

COMMUNITY NOTICE

**Calling all old Mobile Phones to help Sustainable Coastlines look after NZ's coastlines and waterways.**

After \$2.5 million donated to the Starship Foundation from the sale of unwanted old mobile phones it is time for a new multi award winning NZ charity - Sustainable Coastline to benefit from this scheme.

It would be great if you could rummage around in your drawers and toy boxes and bring into School any unwanted mobile phones you may have.

Phones collected help our School gain valuable rewards and also the environment benefits by keeping our landfills free of mobile phones and their array of hazardous toxic substances.

Please drop any unwanted mobile phones you may have in the collection box in the reception area at School.

We are having sooooo much fun at Skids. We have lots of fun activities planned for this term. Our term planners have been sent out. Please come and join us. We run a morning programme from 7.30am to

8.30am and afternoon session from 3pm to 6pm.

If you will be applying for some OSCAR/Work and Income subsidy, we can help you through the process. If you are working (full time or part time and/or studying; on sickness benefit; child on CDA) you may qualify for some WINZ subsidy and pay as low as \$3 a day (conditions apply). We will help you with the forms (even submit the forms on your behalf).

For any queries you can ring Hazel and George at 0800 900 75437 (skids) or 021-278-4463. You can also email us at [manger-ebridge@skids.co.nz](mailto:manger-ebridge@skids.co.nz) or [george@skids.co.nz](mailto:george@skids.co.nz)

We look forward to hearing from you soon!

**A Beautiful Poem**

**I am...**

I am kind and emotional.

I wonder if my dad will still live with me when I grow up.

I hear a great sound coming from a noisy jungle.

I see a big swimming pool at home and I always swim in it.

I want to be a scientist when I grow up.

I am kind and emotional.

I feel that when I think of my Mum I worry about my Dad.

I touched the rough grass laying in the hot sun.

I worry that my brother copies me.

I cry when my brother hits me.

I am kind and emotional.

I say that Adam lived until he was 922.

I dreamed that I am with chemicals and inventors all around me.

I try to be helpful.

I hope that my family will have a good life.

I am kind and emotional.

***With your basket and my basket the people will thrive***

At our recent consultation evenings parents said they would like to be more involved with their children's learning. Well here's your chance. Watch this space because our children are going to need your help to make their proposals a reality. They will be posting up requests and letting you know what you can do to contribute. We had a great turn out at our 3 consultation evenings. The information is being collated and will be sent home soon. If you did not attend you can still contribute, it's not too late.

## Malo

This week we have been celebrating Samoan Language Week. This year's theme is **E FELELEI MANU AE MA'AU I O LATOU OFAGA "Birds migrate to environments where they survive and thrive"** - what a fitting theme to our whole year focus of Kotahitanga and particularly this term's guiding question: How do we live with everyone and everything so we all thrive?

Each morning and afternoon students have been reading stories in Samoan and English, we have been singing Samoan songs and today we joined in celebrating by wearing clothes that represent our cultural heritage.
