

Term 2 No 5 30<sup>th</sup> May 2018

Kia ora everyone,

We had the Playhouse Theatre group perform for us on Friday. This was a fantastic show and everyone really enjoyed it. We have Assembly this week and Team Papura are sharing. Winter Hours start on Tuesday 5<sup>th</sup> of June, this is a 9.15am start. We received two sports packages from Southfuels this week, thanks to all the people that support this and help make it happen. We really appreciate it.

In Week 9 we are having a Book Sale in the Library. If you have any unwanted books in good condition that you would like to donate to our book sale these would be greatly appreciated. These can be dropped into the Library before the 13<sup>th</sup> of June.

Tina McMullen  
Acting Principal

### Tokanui School BOT (Board of Trustees)

Your School BOT met last week. Going forward we would like you to know more about what is going on at the school. It is all there in the publicly available Minutes at the school, but we will highlight some items of discussion after each meeting to keep you informed.

At this meeting we were presented with a "Learning Support" report. It shows us where our resources are being put into to assist our children and importantly how all students are tracking against the measured standards. It is important that we continue to have ALL of our children improving as they progress throughout the year, and this reports just that. We have to make sure we put resources into all students and the discussion around high achievers showed we have Programs in place to make sure all children are progressing.

Please do not hesitate to talk to any of the parent BOT members about the school. We are on the Board to represent all the parents.

Daryl, Ann, Cala and Nolan.

### **Class Reports:**

**Team Kikorangi/Kowhai:** This week we had a Playhouse Theatre group perform for us, they were amazing. Mrs Barnes brought in a goose and pheasant that the Barnes and Watsons had shot on the weekend for all the children to have a look at! A goose has a massive wing span! We were surprised.

**Team Whero:** Here in Room Whero we are assisting our writers to identify success criteria using punctuation correctly. Especially, drilling down on capital letters and full stops - revising the basics are still essential skills to reinforce at Year four and five. We have some highly talented writers in the class who are able to convey their ideas clearly and with creative imaginative flair. Check out the website Pobble 365, we will be using this program in our lessons to inspire writing during the term.

**Team Karaka:** We are writing detailed stories about culture and experiences of the life in New Zealand. We are entering them into TOITOI a journal of young writers in New Zealand.

**Team Papura:** We are working on using personification and zoomorphism in our writing this week. We will be sharing these at Assembly on Friday. The whole class is preparing work for the Social Sciences Fair in June.
