We have been focussing on sounding out our letter sounds in reading and writing. Some of the children are really improving at doing this. We have been having some fun with Music and Dance this week.

Team Whero: Part of our mathematics programme includes family of facts and fractions learning. The students have created their own unique designs on posters demonstrating their knowledge of fractions as well of the mathematical terms such as numerator and denominator.

Team Karaka: It's business as usual in Team Karaka. Miss Cahill is away until the end of term and Mrs Callahan is looking after us, with help from Mrs Lamb and Mrs Barnes. We are working on speeches in writing and measurement in maths. We are also finishing off our science badges this week, so it's all go.

Team Papura: We are working on our project for the Social Sciences Fair and will be starting speeches next week. We are all looking forward to our trip to Stewart Island.
