Dear Bayview Families,

Work is finally happening on the new court area. There is a new fence around the work area which restricts some movement around the school. We apologise for any inconvenience this may cause but our need for more court space is greater than the inconvenience this fence will cause.

The MOE are planning on having the court area finished ready for the start of term 3. Let's hope the weather plays nicely and does not cause any delays!

You may have noticed some changes to the front of our school office. We have the awesome Liam Hindley aka @GASP working on our Team Bayview mural. Liam was instrumental in our other murals around the school. We want people to know that we are 'Team Bayview' and proud of that!

Farewell to some staff members

On Thursday 14th June our lovely Eileen Davids will be going on maternity leave. Eileen, Leyvaine and Dolce will have a little addition due on 4th July. We know you send your best wishes to Eileen for the safe arrival of baby.

Ms TeAna Lambert will be the new teacher in Habitat 20. Ms Lambert will start on Monday 11th June so she can work alongside Mrs Davids for the week.

We will also be saying 'see you later' to Ms Amy Craddock who has lost her heart to a South Island based gentleman! Amy is taking 12 months leave to move to Christchurch. This is a sad loss for Bayview School as Amy started her education at Bayview. She started here as a 5 year old in Mrs Dorset's class and has never really left!

Mrs Rebekah Webb will be continuing on as our Reception class teacher and we will welcome Ms Jinny Kim as our new teacher of our Year 0 class.

New Baby in the whanau

A huge congratulations to our wonderful Zoey Lovegrove on the safe arrival of baby Brooke. Brooke arrived on Tuesday 29th May and both mum and bubs are doing really well. Mia is loving being a big sister and Ryan is counting his blessings around his beautiful family.

COMMUNITY DISCO

Tomorrow night we have our community disco in the school hall. Younger students and toddlers are welcome from 5pm – 6pm and our older students are welcome from 6pm- 7pm. Please note students are not allowed to walk home by themselves as this is unsafe. Please make sure you collect your children at the specified time from the hall.

WHEELS DAY

Our fabulous Kaitlyn Bright and Tiana Davis have been thinking about how we can utilise our bikes and scooters more effectively. They have organised for regular 'wheels days' at Bayview. Every Monday Year 1, 2, and 3 students are invited to bring their own bikes, scooters and other wheelie equipment to school so they can use these at first and second break times. Our Year 4, 5, and 6 students are invited to bring these things on a Friday. All students must have a helmet.

Bikes can be used on our bike track and scooters and other wheelie equipment on the top court.

REPORTING TO PARENTS FEEDBACK

Thank you to all the parents who took the time to give us feedback around what and how we feedback at mid-year around student learning. As with everything everyone had different views but some common themes were around reporting on the I.C.A.R.E. values and how children are as learners. How children were socially was very important for parents and whether they had friends. Many parents wanted to know how their child was progressing with their learning and how they could help them with this.

As a result of your feedback and the review completed by staff we have redesigned the mid-year report format. You will receive this written report in term 3 on Friday 10th August. We will then invite you to a feedback meeting on Thursday 16th August where you, your child and the teacher will sit down and discuss what is in the report. After we have gone through this process we will ask for your feedback as to how you felt it worked.

BEING AN UPSTANDER

A huge thank you to our wonderful upstanders in the community who have been proactive in their support of Bayview School.

We have a group of parents who coach our extra curricula sports teams. These parents volunteer their time weekly to give our students the opportunity to play sport. A huge thank you to: Michelle Webb, Kaylee Stephens, Dani Miller, Amanda Heilesen, Katrina Cray, Ange McKay, Nathan Hinton, Dion Connelly, Campbell Anderson, Kathryn Soenel, Jonas Soenel, Kenneth Tohovaka.

Book fair arrives 28 June

During our book fair this term we will also be holding a book week. During this week there will be lots of special events organised. We will kick off the week with a book character parade at 9am on Monday 2nd July. Children are welcome to dress up as their favourite book character on this day. Mrs Staples is organising this so there is sure to be prizes for the best dressed, most imaginative costume, etc.

PAID UNION MEETING

Tuesday 19 June

Teachers are attending a paid union meeting at 1pm

A letter is coming home about this today. Please send this letter back to school stating what your child is to do at 1pm on this day. Any children left at school will be supervised in the hall by the skeleton staff left behind. Please also make sure that you tell your child what they are to do at 1pm so there is less confusion for them.

Thank you for supporting us at this critical time for the teaching profession.

Walking School Bus

Are you one of the many families driving your kids to school from Witheford, Pemberton and Manuka Rd area? Let's reduce the number of cars at school in the morning, get fit and have fun with a Walking School Bus! We start from Manuka Rd near corner of Leigh Tce. You can drive and drop or walk your kids to the meet point. The kids walk together with a "Walking School Bus Driver" (adult) down to school. Its heaps of fun, the kids get tickets to count how many walks they have done and there are prizes when they fill up their tickets. I can walk Monday and Wednesday mornings and am looking for some other parents to walk the other days. If you are interested contact me on 021 354 022 or Danita_miller@hotmail.com.

Looking for Childcare? I have limited spaces available in Bayview.

Home Grown Kids get to do everything that tamariki should do: climbing, baking, painting and building; laughing, dancing, singing and playing.

Your child will get to form a special bond with just one caregiver who really gets to know your child's needs. It really is the next best thing to your children being at home with you!

Visit Sophie's profile @ www.homegrownkids.co.nz or more info.
