**GATE - Growing Actively Together we Engage with our world**

And from the students.....

Stella Brydon... "I think it was a really cool trip, and a nice, calm boat ride. We got to see a penguin, Kiwis and native birds. We got to see the fence which keeps predators out and got to go on the other side of it."

Addison Fairweather.... "It was was a phenomenal trip and it was really cool and we saw 4 kiwis and penguin."

Amy Rickerby..... "I thought it was a great trip because, we got to see a penguin, Kiwis and native birds. The boat trip was nice, as the sea was calm and the weather turned out to be beautiful on the day."

A big thank you to Mr and Mrs Clarke for collecting and delivering pallets to Picton School for our school to build some compost bins.

Thanks also to Mrs Clarke and the parents who helped the Kaitiaki to make wax wraps on Friday at lunchtime. We are hoping to make a lot of these, so our school families can buy them at a very cheap rate and use them in the children's lunch boxes to help reduce the amount of Gladwrap used. If your child has already been given one for free, please endeavour to use it daily, to help our students understand the importance of reducing waste. Thank You.
