Term 2 No 7 13th June 2018

Kia ora everyone

On Friday the Enviroschools were busy making bird feeders, the bigger children all buddied up with a younger child to make these. The children all had a fabulous time, thank you to Mrs Callahan and Miss McKenzie for running this. The Year 7 & 8 students are away tomorrow to Stewart Island, we hope they all have an awesome time. We still require some coaches for Moffett Cup, if you are keen to coach please let the Office know. If your child is using the sandpit or the mud kitchen please can they bring a change of clothes? Congratulations to Aimee Beale who competed at the South Island Synchro Swimming Champs last week. She got 1st place in the Dolphin Team Routine and 2nd place in the Individual figures. Well done Aimee!

Class Reports:

Team Kikorangi/Kowhai: This week we made bird feeders with Enviroschools to feed all of our birds. We also had a visit from Braydon Johnstone's Puppy. Remember to check out our Seesaw for more exciting things that we get up too.

Team Whero: Congratulations to Van, Wiremu, Riki and Arona for reaching their reading goal and moving up a level. Early this week, we have been working on establishing our values, writing and math goals. Goal setting is an important strategy to instil in children - to be mindful - of what needs to be achieved and practised regularly, to really achieve the goals they have set.

Team Karaka: This week we have been making great progress on writing our speeches. We are also working hard on our Social Science Fair projects. Please encourage your child to do 10 minutes of maths belts and 15 minutes of reading each night for homework.

Team Papura: We are really looking forward to our trip to Stewart Island on Thursday and Friday

We have a lot of sickness going through the school. Please remember if your child is vomiting, they are to stay at home for 48 hours afterwards.
