Breaking News!

Raewyn is absent for 14 days.
Five children have taken over.
Charlie, Indica, Hunter, Te Atue and Damien.
Your news is in our hands!

Correction - Raewyn WAS away for only 7 days..... But the students have done some great work which is included in this newsletter.

G.O.M.E TRUST :

Grumpy Old Men Enterprises (GOME) Trust visited our school last week and gave us a \$500 Sports Goods voucher!!!!

The group of older men (not necessarily grumpy) collect and break down old defunct whiteware, TVs and household appliances that would normally go into the rubbish, and sells the various component parts to scrap merchants. The money they raise is then donated back to community groups and schools.

So before you throw away that old microwave, fridge or tv - contact Jim on 027 444 7474 (they can even arrange pick up of the goods!).

PIE FUNDRAISER:

Thanks to the families and students that sold pies for our recent pie fundraiser. We do realise that there were a lot of other schools and kindergartens etc doing this at the same time, so we really appreciate the families that supported our "little" school - as this is one of our only fundraisers at the moment!

Special mention must go to Caiden - who went around his neighbourhood and sold pies to everyone - well done!

Total profit from this fundraiser was \$378.00.

SCHOOL LUNCHES:

School lunches are continuing on Mondays - with next Monday's lunch being Cottage Pie followed by Creamy Rice Pudding. Please ensure you send along your money (\$5 per student) with your order.

WAREHOUSE STATIONERY:

Also remember that any purchase you make at Warehouse Stationery Aberfeldy School can gain points from - you just need to nominate the school at the start of your purchase.

LIFE ED:

The Junior students learnt about friendships and being a good friend; the older students learnt about taking responsibility for their own actions, peer pressure and making wise choices before doing "silly" things.

SICK CHILDREN:

At the moment there is a lot of flu, coughing and generally sick children around. If your child is unwell please keep them at home - it helps them get better quicker and also stops the germs spreading around everyone else.

LUCKY BOOK CLUB:

Student brought home Lucky Book Club catalogues two weeks ago - if anyone wishes to make an order from these you can do so online at -

<https://mybookclub.scholastic.co.nz/Parent.aspx> or by sending your order along to school, with the payment, before next Friday, 22nd June.

Calendar Dates

Thursdays - Seniors to Technology

- Friday 22nd June - Book Club orders due in
- 26th & 27th June - Seniors Career Day at Ohakea
(information will be sent home on Monday)

LUNCH ORDERS - MONDAY 18th JUNE 2018

"Cottage Pie" followed by "Creamy Rice Pudding & Custard"

\$5.00 per student

Student Name(s):

Total Enclosed: \$.....

The Day My Friend and I Teleported

Once upon a time there were two boys named Jayna and Hunter. I am Hunter. We both love to ride dirt bikes. Jayna had a CRF450rx and I had a CRF450r. One day we were riding out where we always did when we saw a strange motocross track. Jayna did a jump and then I saw a big cloud of dust so I raced over there but he wasn't there. I kept going and all of sudden I was in a different dimension. We knew it was a different dimension because it looked like a space landscape. I looked around and Jayna was there as well. We were looking for a way to get back and then all of these people started chasing us on space bikes. We saw a shining light so we went for it and we shot back to our world. We went home but went back the next day. The motocross track was gone, so we went home again. I told my parents but they didn't believe me.

The Portal at School

Everything was normal. Alex was at school, a one class school, like every school in the Wild West. It was lunch time and he was still in class snooping around. He peeked over the shelves at this strange object (camera). The light shone in his eyes. He snatched the object from its secret spot as teacher came in to get an apple. He dived under his desk so the teacher could not see him then he clicked the on button.

He felt dizzy and sick. As he sat up he felt his head and someone yelled at him "Get to class boy." Alex stumbled into a room with delightful kids. Unlike his school, this school had two class rooms. At one side of the classroom there was a square box thing with glass inside, a stem stuck out the bottom with a circle on the end, like a leaf- he had never seen anything like it before.

Someone walked slowly towards him. He dashed inside a room. It had a pink sign on the door with a ginger man that wore a dress. He felt the object, it was in his pocket. Reluctantly he pressed the button. Again he felt dizzy and sick. He was back in his time! As he sprinted outside it was time to go home.

Sports Reports and Interviews

Riding interview by Campbell Sorensen.

When did I first start riding?

I don't really remember but I was probably about two years old - as soon as I could hold on.

My horse's name is Dream and he is a 17 year old palomino who is turning 18 years old this year. He used to be my brother's horse but he got too big for him.

What do you do with your horse?

I go to pony club where I do show jumping, dressage and show hunter. Last week I went to horse racing and came fifth. That was cool fun.

How often do you ride?

I ride every weekend and sometimes during the week.

My Experiences as a Rider -

Interview with Ryder Patterson

How long have you been riding?

I have been riding for about a year now.

What have you learned about riding so far?

I have learned how to leg yield which is basically getting the horse's back legs to cross over. I also know the basics about mounting and dismounting as well as walking the horse.

Where do I go riding? *I go to RDA once a week.*

Any other comments?

I love riding and I would really like a horse of my own one day.

RUGBY REPORT

We are Hunter, Sheldon and Jayna and we play rugby. Sheldon plays for Ruapehu under 11s and his coach is Joey. At training we do lots of fitness and a lot of ball skills as well as tackling drills.

Hunter and Jayna play for Pirates under 13s. We do lots of tackling drills, ball skills and fitness at training which is every Tuesday and Thursday after school, from 3.30 until 5 pm.

Sheldon and Jayna are 10 and Hunter is 12.
