DRIVEWAY SAFETY

We have recently started coning off the school driveway between the times of 8.30am - 9.00 and 2.50- 3.20pm as there have been some very near accidents of children been hit by parents cars coming in and out.

THESE CONES ARE NOT TO BE SHIFTED FOR ANY REASON!

Parents are not to use the driveway during these times for any reason.

CHILDREN'S SAFETY IS PARAMOUNT!

CHILDREN'S BIRTHDAY CELEBRATIONS

We ask all families to have all children's birthday celebrations at home please. We are not able to have individual children's birthday parties and birthday cakes/food at school. Many children have food allergies and many parents do not like their children eating sugary food.

Please do not bring Birthday Food to School.

A reminder that Stanhope Road School is

SMOKE FREE SCHOOL

That includes vaping e-cigarettes

We ask you to please refrain from using them when on our School grounds

NO SMOKING ANYWHERE!

REMINDERS:

- the school day starts at 8.55am - please have your child in class ready to learn well before, there are far too many late children arriving - are they going to bed early enough to get sufficient sleep to study and grow
- the school day ends at 3.00pm - make sure you are here to pick up on time - if you are going to be late then you will need to book your child into after school care. Teachers are at meetings after school and are not around to mind them
- we urgently need spare uniform for our sickbay changes in these winter months. If you have old ones your child has grown out of we would love to have them.
