

The highlight of this week was attending the Canterbury Area Schools Kapa Haka event hosted at Rangiora New Life School this Tuesday. It was fantastic to be able to take a 83 student strong team to the event, that included students from across the school. Seeing our Year 1 and 2 students performing alongside our Year 11 and 12 students was a sight to behold. Also seeing the passion of the students was inspiring. It was a great opportunity for our students to come together with other Area School students from around the Christchurch region. The Kapa Haka event is one of the only events that brings students from all year levels together from across our Area Schools. Our students performed a number waiata and also were able to watch the performances from the other schools. It was also fantastic to see so many parents come along to watch and support the group. This is a great continuation of our Matariki activities and we hope to be able to conclude these during the last week of term when we will reschedule our hangi. If you wish to view the Kapa Haka performance you can do so via our school facebook page. The planned date for the hangi is now Tuesday 3rd July. Preparation will commence on the Monday afternoon and the fire will be lit at approximately 3.30am. We will welcome to school any and all who wish to assist and be part of this event. It will be a great way to finish off the term and conclude our Matariki celebrations. A huge thank you to Sonia Talivai for her hard work and commitment around promoting and leading our cultural activities. What she has been able to achieve has been remarkable. Also a big thank you to Chris Toki and Jenny Banks for there support in making the Kapa Haka happen. Tino pai to mahi!

With only two weeks left before the end of the term, we will be quickly building towards our end of term assembly. This assembly will have an additional focus as we will be farewelling Michael and Hanna, our two German volunteers. It is amazing how quickly their time with us flies by and we have really appreciated the way they have involved themselves in our school and the wider community. I certainly welcome those in the community who have spent time with Michael and Hanna to join us in farewelling them. The end of school assembly will start at approximately 2.10pm of Friday 6th June.

A reminder to all that access to the school pedestrian areas via vehicles has been flagged as a Health and Safety concern. This especially relates to vehicles travelling up to the library and accessing the administration block via the Tenterden St entrance. As students, staff and visitors are often walking through and using this area it is critical that vehicles only access this area during the school day (8.30am - 3.15pm) in exceptional circumstances. For users of the library, we ask that you park in the Tenterden St car park and if there is a physical need to park closer we ask that your initial consideration is to use the library outside of when the school is in use. When driving in the school you are not permitted to exceed walking speed and keep under 5km/hr. We understand that this will cause some inconvenience, but the safety of staff, students and visitors as is paramount.

Thank you to all those that attended and contributed to our Area School Sports fundraiser quiz night last Friday. We had an excellent night and raised considerable funds to go towards covering the costs for our students this year. It was an enjoyable evening and great to see so many from the community coming together.

Nāku noa, nā
Stephen Beck, Tumuaki - Principal

CASA Kapahaka Congratulations to all those who performed in the Canterbury Area Schools Kapahaka Festival on Tuesday 19th June. A special mention to Nicola Upritchard, Ashlee Murray, Jessica Fincham, Maggie Ferguson, Caleb Spencer, Harper Pugh, Ollie Zino and Josh Gunn for leading each of the items. Everyone was amazing and we are all super proud of you.
